## **INTERNATIONAL FINANCE INSTITUTION**

- **World Bank (WB)**
- **European Bank for Reconstruction and Development (EBRD)**
- **European Investment Bank (EIB)**
- **Asian Development Bank (ADB)**
- **African Development Bank (AfDB)**
- **Etc.**

**IF's provide loans and credits (and sometimes grants) to governments in developing countries and emerging markets. They do not lend to companies or individuals in developed countries. In addition, IFI's have private sector departments that provide financing (and technical assistance) to companies in developing countries. IFI financing can be provided in combination with other sources of financing.**
