A photograph of three Amanita muscaria mushrooms growing in a forest. The mushrooms have bright red caps covered in white, irregular spots and white gills. They have thick, white stems. The ground is covered with pine needles and some small green plants. The word "МУХОМОР" is overlaid in the center of the image in a bold, black, sans-serif font.

МУХОМОР

A close-up photograph of a small, dark-colored frog perched on the top of a large, vibrant red mushroom. The mushroom has a smooth, slightly glistening cap. The background is filled with green grass and other forest vegetation, creating a natural, outdoor setting. The lighting is bright, highlighting the textures of the frog's skin and the mushroom's cap.
