

**Doing extreme sports
(skydiving, kitesurfing,
white water rafting)**

Walking a tightrope

Going trekking (in the mountains)

**Going on
a big
roller
coaster**

Taking risks

- To decide to do something even though you know it may have bad results

What can you see, hear, feel, and smell?

How do you feel: excited, scared, thrilled, terrified?

e.g. I'm skiing in the mountains. The air smells clean and fresh. I feel excited.

**Choose one of the scenes
and describe it.**

**Mention who, where, when,
and what was doing.**

Taking risk is

- People take risks/do risky things because ...
- Risky activities can lead people to
- Some people like being put at risk because ...
