

GOUTES DE PUIE

The image features the text "GOUTES DE PUIE" in a white, stylized outline font. The text is centered horizontally and partially overlaid by a decorative background. The background is a vibrant red with a subtle gradient. A dark, thin branch or twig runs horizontally across the middle of the frame. Three glass ornaments, resembling Christmas baubles, are suspended from the branch. Each ornament is filled with a mixture of small red and green beads or sequins. The lighting is soft, creating a warm and festive atmosphere.
