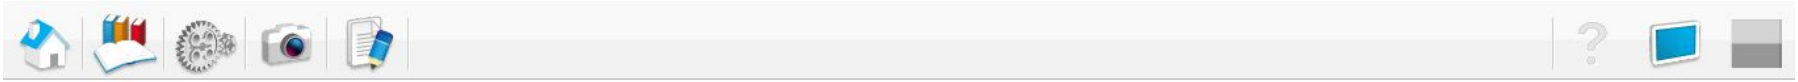
Программирование



Программирование

Блок начала программы

Направление вращения двигателя

Скорость вращения двигателя

Программирование

Время работы двигателя

Время работы двигателя всегда ставим в конец (направление, скор

Программирование

Остановка двигателя

Как остановить программу?

Красный квадрат в правом верхнем углу

Клавиша Esc

Программирование

Попробуем запустить нашего робота

Программирование

А теперь попробуем запустить робота на время

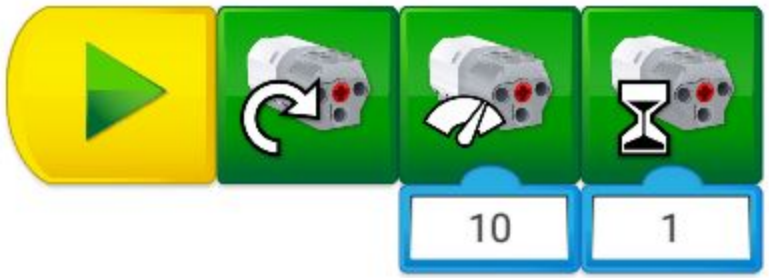
Программирование

Как заставить робота ехать медленно (или быстро)?
Попробуем сами

Программирование

Решение:

Быстро



Медленно

Свободное время
