Elnara

- The past perfect continuous (also called past perfect progressive) is a verb tense which is used to show that an action started in the past and continued up to another point in the past.

# Past Perfect Continuous Forms

The past perfect continuous is formed using **had + been + present participle**. Questions are indicated by inverting the subject and *had*. Negatives are made with *not*

- Statement: You **had been waiting** there for more than two hours when she finally arrived.
- Question: **Had** you **been waiting** there for more than two hours when she finally arrived?
- Negative: You **had not been waiting** there for more than two hours when she finally arrived.

## Past Perfect Continuous

Action started in the past and continued up to another point in the past

## Present Perfect Continuous

Action started in the past and has continued up until now

- "For five minutes" and "for two weeks" are both durations which can be used with the past perfect continuous. Notice that this is related to the present perfect continuous; however, the duration does not continue until now, it stops before something else in the past.

- They **had been talking** for over an hour before Tony arrived.
- She **had been working** at that company for three years when it went out of business.
- How long **had you been waiting** to get on the bus?
