

Las Venturas Airport

An aerial night view of the Las Venturas Airport terminal. The terminal building is illuminated with bright cyan neon lights along its edges. A prominent sign on the left side of the terminal reads "LAS VENTURAS" in white capital letters. In the center, a tall, white, cylindrical tower is lit up with cyan and pink neon rings. The surrounding area includes a road with yellow dashed lines, palm trees, and a parking lot. The sky is dark, and the overall scene is lit with a mix of cyan, pink, and white neon lights.

The Las Venturas Airport (LVA), also known as the Bone County Airport, is a Las Venturas airport in Grand Theft Auto: San Andreas, based on the real-life McCarran International Airport in Las Vegas, Nevada.

Description

The airport is located south of Redsands West, north of the LVA Freight Depot, east of Blackfield and west of The High Roller.

Layout

Las Venturas airport has two runways but no taxiways. The main terminal lies to the east of the airport grounds with multiple gates in sight.
