

**Now time for the news.**

**Now time for stories.**

Now time for the news.

I think, now a lot of people don't read a news in the newspaper or magazine. People the most often use mobile phone internet.

## Now time for stories.

Now, parents don't tell a story. They give mobile phone to children and do another work. Children play games on the mobile phone. For example, cat Tom. Parents as save time now.
