Naturally Calm

keep calm, stay afraid, but do it anyway.
What's important is the action.
You don't have to wait to be confident.
Just do it with naturalness and eventually the
confidence will follow and the success will arrive.

MYSTIC BLUE

Inspiration is not a mystical, unattainable goal. Inspiration is a seed.

That seeds turns into vision, that vision turns into a goal, and hopefully that goal turns into victory.

BEAUTY redefined

You don't need high heels to be sexy you are sexy as you are.

You are braver than you are, braver than you believe, stronger than you seem and smarter than you think.
