The image is a graphic designed to teach the Russian letter 'Я' (Ya). It is divided into two horizontal sections by a dashed line. The top section features a green tree on the left, followed by a comma and a closing quotation mark. To the right of these symbols is the word 'ЯНЯ' written in large, orange, outlined letters. Below this section is a solid white horizontal bar. The bottom section features the same green tree on the left, followed by a comma and a closing quotation mark. To the right of these symbols is a close-up photograph of a human nose. To the right of the nose is the letter 'Я' written in large, yellow, outlined letters. The background of the entire graphic is a light gray with a fine grid pattern.
