

Нарисуем рыбку

Добрый день, ребята!

Открыли рабочую тетрадь на странице 47

В тихой речке у причала

Рыбка рыбку
повстречала:

- Здравствуй!

- Здравствуй!

- Как дела?

- На рыбалке я была,

Я удила рыбака,

Дядю Петю – чудака.

- Где же твой рыбак?

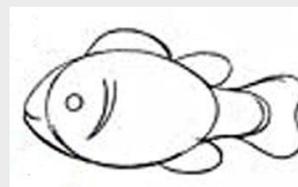

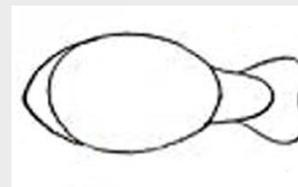

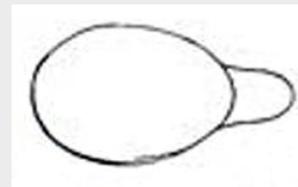

Попался?

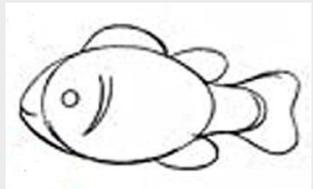

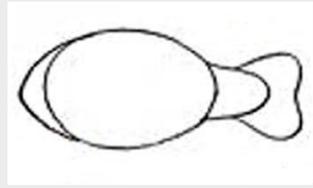

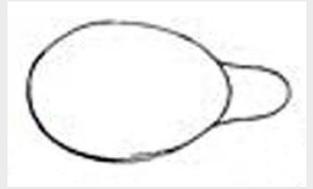

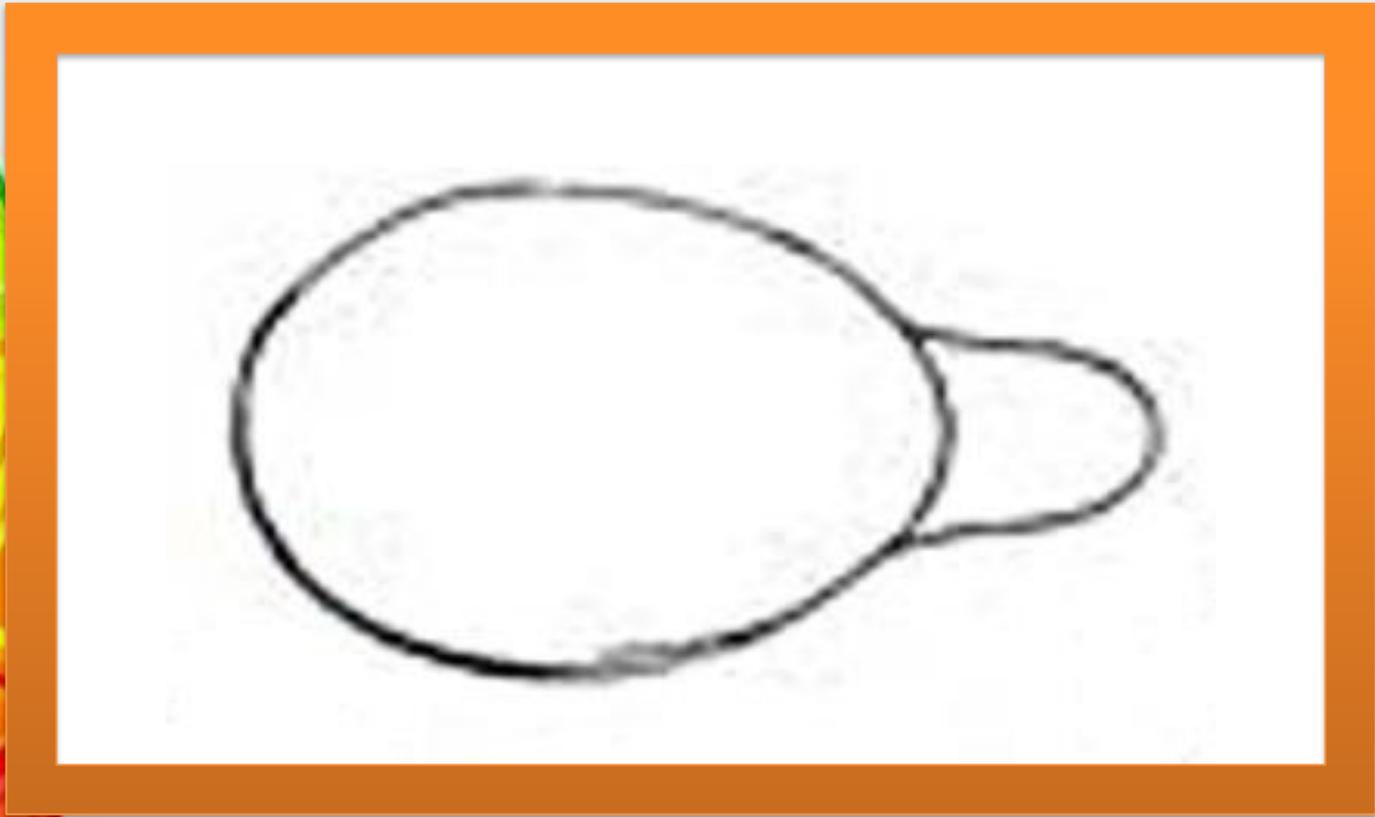

- Нет, ушел, хитрец!

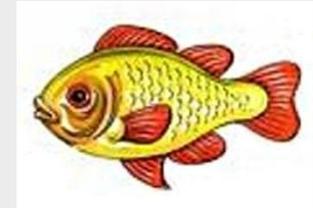

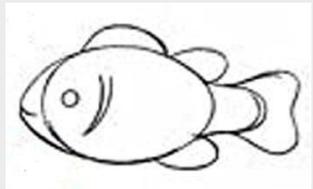

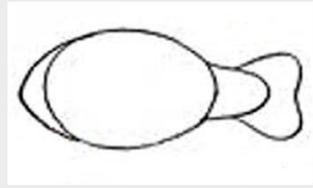

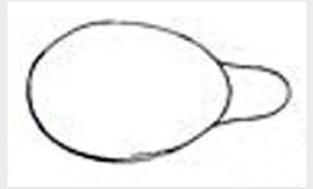

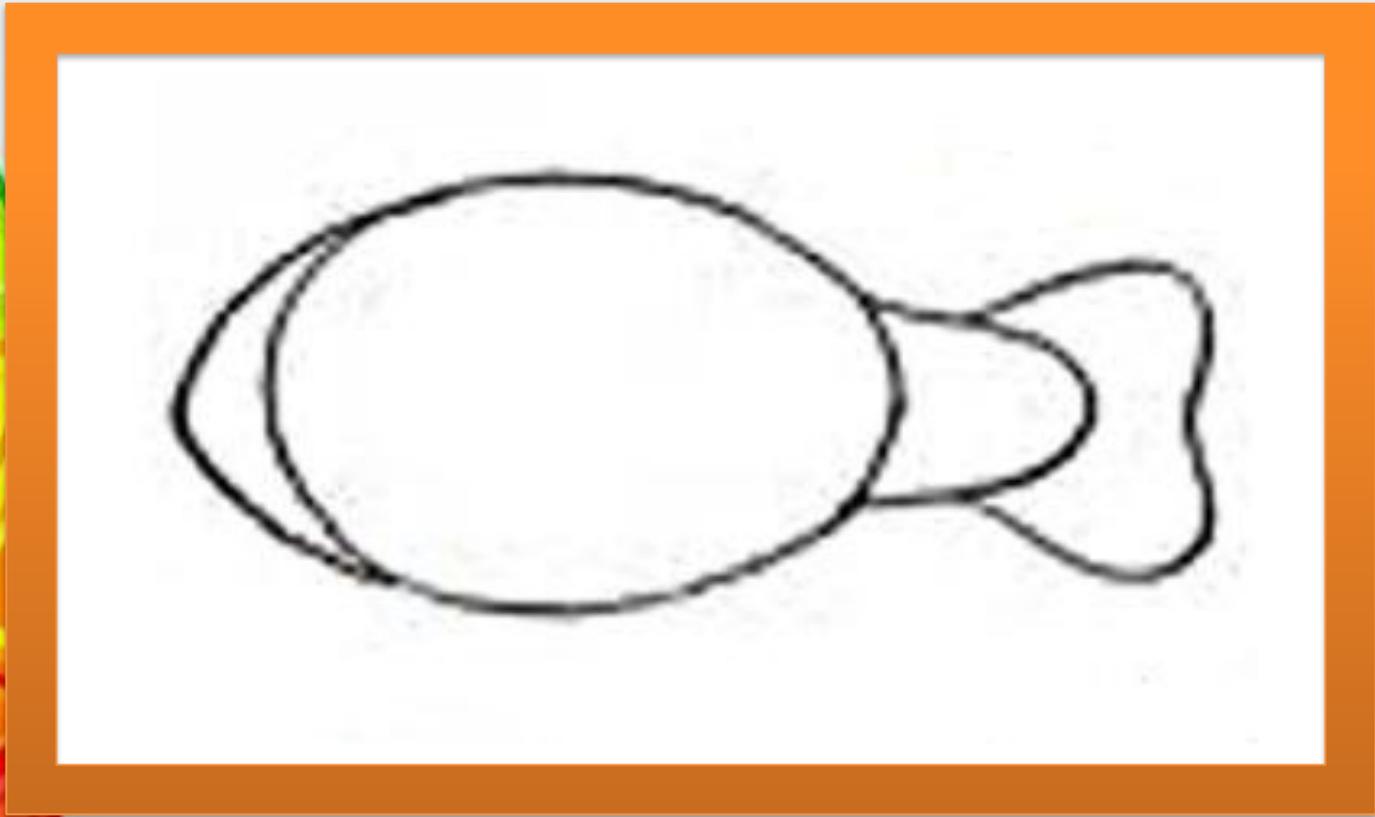

Сорвался!
