# Sandcastles

Amy Russo  
Illustrated by Marta Tesoro

Let's build a castle,  
With a fortress and tower.

A place for the Kings  
And Queens who have power.

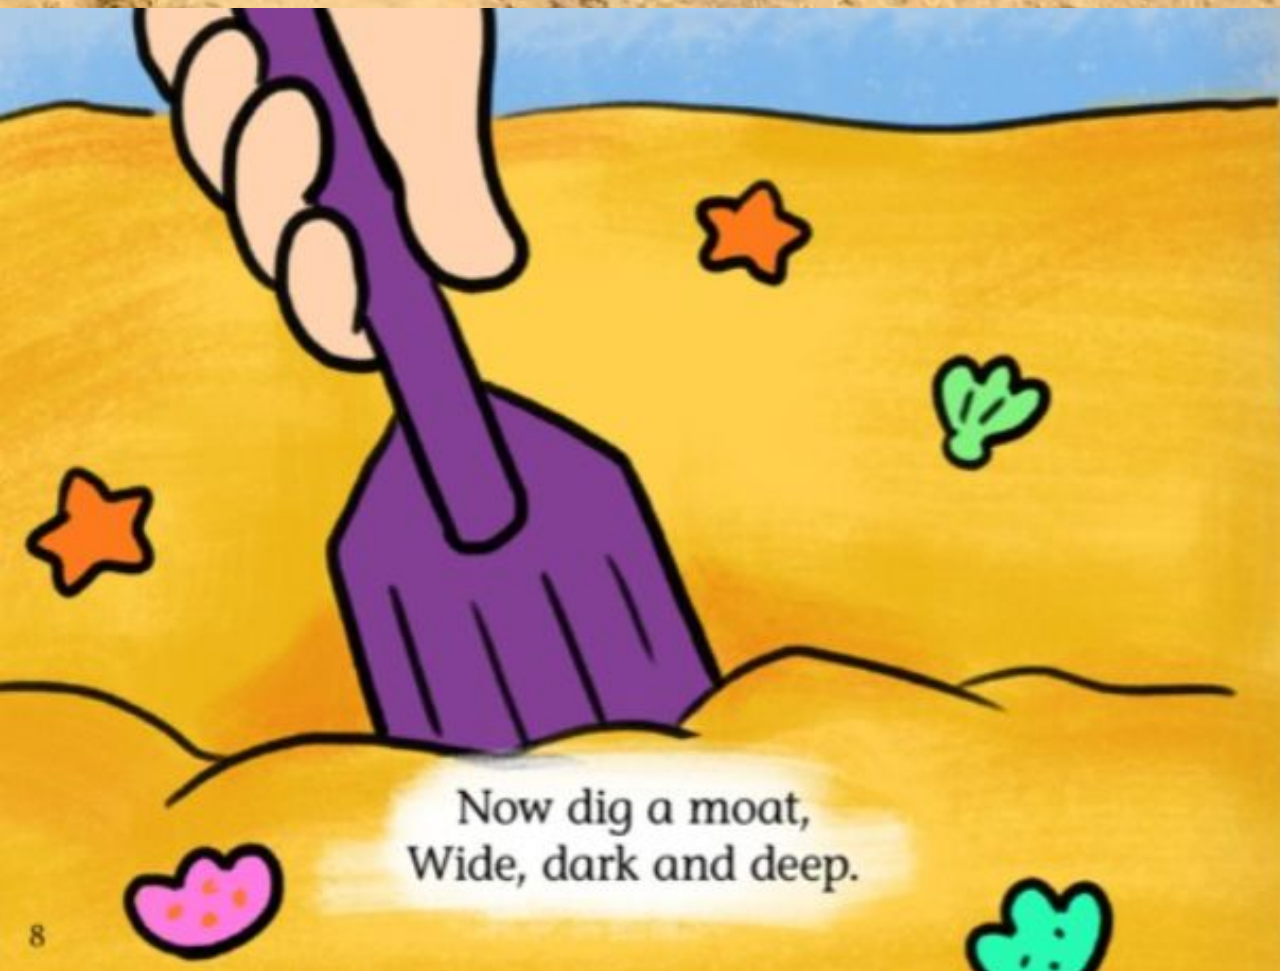

Put up a tower,  
With shells on the top.

Make it the tallest,  
Oh no, it went flop!

We're still busy playing,  
At the end of the day.

But here comes a wave,  
To wash it away.
