Title title

Author, Author, and Author
Address(es)

Introduction

Replace the “blah, blah, blah” with your own “blah, blah, blah.”

Materials and methods

Blah, blah, blah

Results

Blah, blah, blah

Conclusions

Blah, blah, blah

Further information

© Copyright Colin Purrington. You may use for making your poster, of course, but please do not repost the template on your own site or upload to file-sharing sites such as doctoc.com. This verbiage sounds mean-spirited, perhaps, but I’ve had people siphon off my whole site and then claim my content was public domain because they found it via Google.
