Star REPORT

Natalie Portman is a big star in Hollywood today. What do we know about her?

Well, her real name is Natalie Hershlag. Her family moved to America when Natalie was three.

Natalie went to school in New York. She had dance classes after school and in the holidays she went to theatre camp. She was good in all the plays at camp.

Her first film was called *Leon*. She was very young – only thirteen years old! She was a child star but she didn't work on films every day. She went to school too. Then, when she finished school, she went to university. She studied different languages.

After that, she was in lots of films. Do you remember her in *Star Wars*? She was Padme Amidala in three of the films. She was fantastic!
