What is a “Friend” and a “Best friend”?

How many friends
do you consider your
“ Best friends” ?

What are the most important
characteristics of “Best friend”
for you?

Do you make friends easily?

How do you make new friends?

Have you ever made friends
in the street, in the Internet etc.?

There is a saying
“To have a good friend
you need to be a good friend”.
How can you be a good friend?

How much time do you spend with your friends?

What do you usually do together?

What things should friends
never do?

There is a famous proverb:

“A friend in need is a friend indeed?”

Do you agree?

What do you like best about your best friend?

Why is this friendship important for you?

Do you tell everything to your friend?

Describe your best friend

Thanks much for your attention!
