CRIME SCENE DO NOT CROSS

A famous van Gogh self portrait was stolen from a museum in Paris, France during a school field trip. A note was left and we have narrowed down the suspects.

CRIME SCENE DO NOT CROSS

CRIME SCENE DO NOT CROSS

Dear Detectives,
you will never catch
me. i was able to steal the
painting write under your
nose. I hid in the
museum until it closed and
then snuck out into the
gallery. i left no footprints
or fingerprints and there
is no way you can figure
out who i am.

Evidence

Dear Detectives,

you will never catch me. i was able to steal the painting right under your nose. i hid in the museum until it closed and then snuck out into the gallery. i left no footprints or fingerprints and there is no way you can figure out who i am. good luck trying to catch me.

What mistakes can we find to help us determine who stole the painting?

Place the magnifying glasses on the mistakes.

dear Detectives,

you will never catch me. i

was able to steal the painting

right under your nose. i hid in

the museum until it closed and then snuck out into the gallery.

there are no footprints or

fingerprints and there is no way

you can figure out who i am. good

luck trying to catch me.
