

Life in the city and the village

City or village?

City

1. Multi-story houses
2. Asphalt Roads
3. Many factories and plants
4. Developed public transport
5. Many monuments, museums, theaters
6. Little greenery, polluted air.

Village

1. Wooden private houses
2. Country Roads
3. Farming is developed
4. The villages are surrounded by forest, in which a lot of mushrooms and berries
5. Clean air
6. Organic Products
