# This is a slide title

- ◎ Here you have a list of items
- ◎ And some text
- ◎ But remember not to overload your slides with content

Your audience will listen to you or read the content, but  
won't do both.

# BIG **CONCEPT**

Bring the attention of your audience over a key concept using icons or illustrations

You can also **split** your content

## **White**

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

## **Black**

Is the color of coal, ebony, and of outer space. It is the darkest color, the result of the absence of or complete absorption of light.

## In two or three columns

### Yellow

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

### Blue

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

### Red

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

**SlidesCarnival icons are editable shapes.**

This means that you can:

- Resize them without losing quality.
- Change line color, width and style.

Isn't that nice? :)

Examples:

## Now you can use any emoji as an icon!

And of course it resizes without losing quality and you can change the color.

How? Follow Google instructions
