

The background features a network diagram with several glowing white nodes connected by thin lines. The nodes are scattered across the left and bottom-left areas, with some appearing larger and brighter than others. The overall background is a gradient of teal and blue tones.

Project «My dream house»

Made by Ann Yurchenko

Norway, Geiranger-fjord

My dream house

You see the lounge

My room is my haven

The back garden

**That is pretty much it about my
dream home.**
