ОКНО

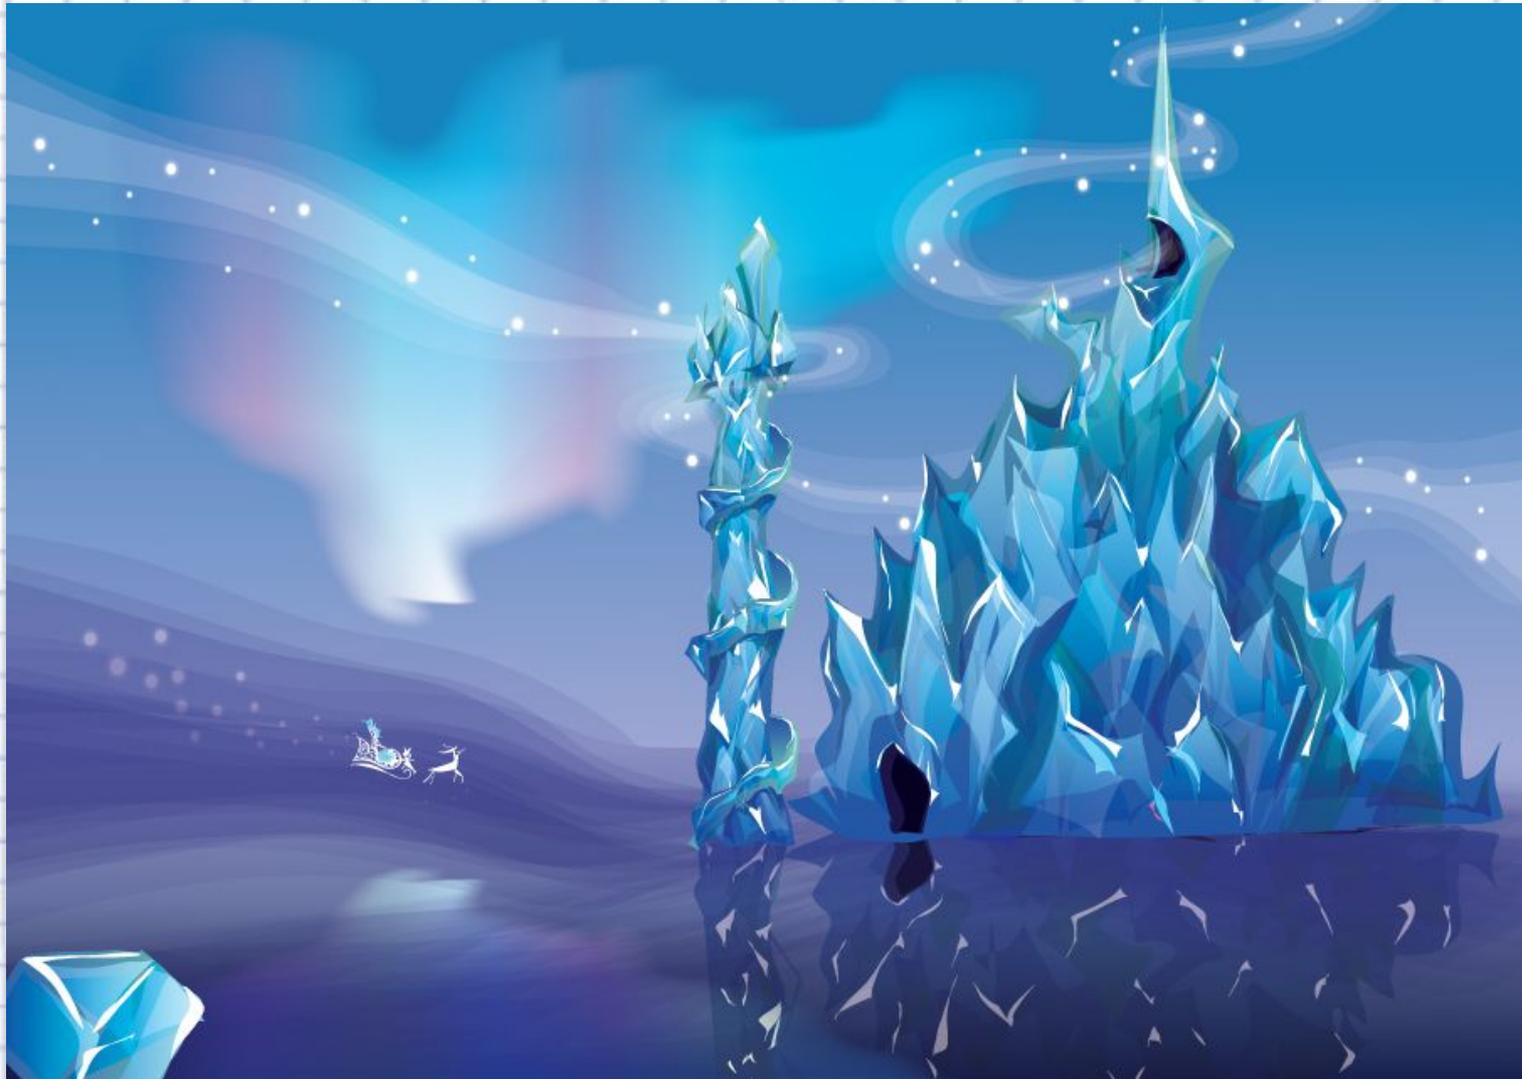

A photograph of a log cabin under construction. The lower portion of the building is made of horizontal log walls. The upper portion is a complex wooden roof structure with numerous rafters and beams. A person in a blue jacket is visible on a wooden platform or scaffolding on the right side of the roof. The sky is overcast and grey. In the background, there is a red building and a grey fence. The word "КРЫША" is written in large white letters across the bottom center of the image.
