History of the brand

Mercedes-Benz - German carmaker, specializing on release of cars of premium cars, trucks, buses and other vehicles. At the moment, is a daughter company of the concern «Daimler AG». The headquarters is located in Stuttgart. Founded in 1871. In 2010, the brand was estimated at 25.2 billion dollars, while the second place at the price of companies-manufacturers of cars.

Name formation

The brand name was adopted in 1926 as a result of the merger of two competing companies, Benz & Cie. and Daimler-Motoren-Gesellschaft, into a single concern — Daimler-Benz. The brand name is derived from the two most significant cars of the combined companies—Mercedes 1901 and Benz Patent-Motorwagen 1886.
