

Subculture Emo

(Считается, что популярная тенденция черно-розовой цветовой гаммы возникла в середине 80-х гг. чувствительные эмо-подростки не скрывают своих эмоций, а наоборот стараются продемонстрировать их на публике.)

It is considered that the popular trend black and pink color gamut originated in the mid 80s. Sensitive emo Teens do not hide their emotions, but on the contrary try to demonstrate them in public.

let us consider the subculture of emo on the example of the great man - Lida (Nicholas Romanov). He is a pop punk project and emo. Lida (Mudota) born may 10, 1995 is a Russian video blogger, musician, songwriter, vocalist and producer of the band "Frio". Native city-Moscow (Marino).

HE, AS AND ALL EMO EXPRESSES THEIR EMOTIONS, AFTER ALL AS STATES IN ONE OF RULES EMO-CRY ALWAYS AND EVERYWHERE, WHERE THERE IS PEOPLE. IF YOU CRY ALONE, WHO WILL FEEL SORRY FOR YOU?

For typical emo clothing in pink and black colors with two tone patterns and stylized icons. The main colors in the clothes are black and pink (Magenta), although other shocking-bright combinations are acceptable.

There are combinations in a wide strip. Often the clothes depicted the names of emo bands, funny pictures, or broken hearts. Meet the features of sporty clothes skateboarders and BMX-'erov.
