

Answer the questions

Make the Cheshire Cat disappear

The image is a 3D rendered scene of a forest. In the foreground, a large, dark brown tree trunk is covered in green moss and small purple flowers. The background shows a dense forest of thin, leafless trees. A semi-transparent, light green rectangular overlay is positioned in the center of the image, containing the text "Good job!" in a bold, white, sans-serif font. In the top right corner, there is a small, semi-transparent UI element with the text "Set Unit", "Set Unit OFF", "ON", and "OFF".

Good job!

You can use this game to practice any kind of theme. I use it by preparing a list of questions, if the student answer correctly a part of the cat disappears.

The aim is to make the Cheshire Cat completely disappear.
