

Answer the questions

**Make the
Cheshire Cat
disappear**

A large, detailed tree trunk with a thick, textured bark is the central focus. The tree is covered in patches of green moss and small purple flowers. A semi-transparent green rectangular overlay is positioned over the middle of the tree, containing the text "Good job!". The background behind the overlay is a faded, light green version of the tree's branches and foliage. In the top right corner, there are some faint, semi-transparent UI elements, including a "START" button, a "PAUSE" button, and a "QUIT" button, along with some status indicators like "ON" and "OFF".

Good job!

You can use this game to practice any kind of theme. I use it by preparing a list of questions, if the student answer correctly a part of the cat disappears.

The aim is to make the Cheshire Cat completely disappear.
