

Answer the questions

**Make the
Cheshire Cat
disappear**

A large, detailed tree trunk with moss and lichen is the central focus. A semi-transparent green rectangular overlay is placed over the middle of the trunk, containing the text "Good job!". The background behind the overlay is a faded, light green version of the same tree scene. In the top right corner, there are some faint, semi-transparent UI elements, including a "START" button and a "PAUSE" button, suggesting this is a screenshot from a game or simulation.

Good job!

You can use this game to practice any kind of theme. I use it by preparing a list of questions, if the student answer correctly a part of the cat disappears.

The aim is to make the Cheshire Cat completely disappear.
