

**TIMELINE** for 11 graders.

- 05/2018
- 1)College search time.
- 2)Find teachers for recommendation letters.
- 3) Get started on essays
- 4) If 0 exams taken, plan them out throughout the rest of the year, so by January 1st, the results will be already sent to colleges.
- (You don't have to have all the results by the deadline of application, but it would be much more better if you did)
- 5) Register on CommonApp and start on your application, though not every university is in commonapp, for some unis you have to apply directly from their websites.
