## Task 40

Imagine you are doing a project on **the most popular music genres in Zetland**. You have found some data on the subject –the results of the opinion polls (see the table below). Comment on the data in the table and give your opinion on the subject of the project.

<b>The most popular music genres among people in Zetland</b>	
Pop music	30%
Rock	27%
Rap	23%
Jazz	11%
Folk music	9%

**Use the following plan:**

Make an opening statement on the subject of the project;

Select and report 2-3 facts;

Give 1-2 comparisons where relevant;

Outline **a problem that can arise with listening** to music and suggest a way of solving it:

# Introduction

A young woman with glasses is smiling while working on a laptop. She is sitting at a table with several stacks of books. In the background, other students are visible, some looking at books. The setting appears to be a library or a study area. The image has a warm, golden-hour lighting.

## *Introduction*

*People listen to various music genres and I would like to know what genres are the most popular in Zetland (1). To do that I will analyze the data in the table and give my opinion on the subject (2).*

Introduction/ р. 42/43. Аспект 1

1. !!!упоминание **проекта**
  2. !!!тема/цель проекта
  3. данные найдены, **автор опрос НЕ проводил**
  4. Упоминание, что сведения взяты из  
таблицы/диаграммы
- (3-4) можно написать **либо в 1-м абзаце, либо во 2-м.**

- Вводное предложение обязательным не является
- Перефразирование темы проекта не требуется

## *Facts*

### *Аспект 2 -р.42-43*

1. !!!Нет численных значений – аспект не раскрыт (2 или 3 факта)
2. Автор опрос НЕ проводил
3. Упоминание, что сведения взяты из таблицы/диаграммы

## *Facts*

*As can be seen from the data that I found online, the majority of people prefer pop music (1). 27 % of people choose rock (2). As for the third most popular style, it is rap (3). Jazz and folk music are at the bottom of the table and the smallest groups of respondents said they enjoy(ed) listening to them (4).*

## *Facts - 2-3 факта р.42-43 Аспект 2*

*As can be seen from the data that I found online, the majority of people prefer pop music (1). 27 % of people choose rock (2). As for the third most popular style, it is rap (3). Jazz and folk music are at the bottom of the table and the smallest groups of respondents said they enjoy(ed) listening to them (4).*

- + данные найдены, автор опрос НЕ проводил (второй абзац)
- + Упоминание, что сведения взяты из таблицы/диаграммы (введение)
- конкретные цифры
- majority- 27% of people

*Comparisons - Аспект 3 -р.43*

The most popular music genres among people in Zetland	
Pop music	30%
Rock	27%
Rap	23%
Jazz	11%
Folk music	9%

*The data reveals that the proportions of respondents who chose jazz and folk music are the smallest and they differ by 2%.*

*Comparisons - Aspect 3 -p.43*

The most popular music genres among people in Zetland

# Проблема

A young woman with glasses is smiling while working on a laptop. She is sitting at a desk with a stack of books. In the background, other students are visible, some looking at books. The scene is set in a library or study area with warm lighting.

*Problem – p.44 , аспект 4*

- 1) *Не предлагать нереальных или абсурдных проблем, в этом случае аспект будет считаться **невыполненным!***
- 2) *Не предлагать абсурдных решений проблемы, в этом случае аспект будет считаться **неточным!***

## *Problem*

*Listening to music is an enjoyable activity, but it can be associated with some problems (1). The most common problem is the following(2). When a family travels by car and they try to choose what music to listen to, they cannot because all family members have different tastes in music(3). To solve this problem they should listen to different genres in turn (4).*

# Заключение
