THIS IS AN
EXAMPLE

THE RULES

MATERIALS NEEDED:

- Game board
- Game cards (shuffled)
- Playing pieces
- Scrap paper & pencil

HOW TO PLAY:

1. Each player needs a playing piece (different colored counters work great). Place the pieces on start.
2. The first person draws a card from the stack and solves the problem. They may use their scrap paper if necessary. (Other players should always solve the problems to check each player's work.)
3. If the player is correct, move on the game board to the next St. Patrick's Day image shown on the card.
4. Take turns playing and checking each other's work. The first person to reach the finish is the winner!
