

FESTIVALS IN RUSSIA

"JOURNEY TO CHRISTMAS"

The magical New Year's atmosphere of the festival is created by stunning light installations, street theater performances, ice ballets, master classes and winter games. On the occasion of this large-scale celebration, the main streets of Moscow are set to the action of all the favorite Russian and foreign fairy tales. Elegant Christmas trees, original light-dynamic compositions, and light installations are installed on the festival grounds.

FESTIVAL OF LANDSCAPE OBJECTS “ARCHSTOYANIE”

A unique, sophisticated festival is held in the open spaces of the Ugra Nature Reserve. The name of the event is very sonorous - Archstoyanie. Once in this place there was a historical event-Standing on the Ugra, now there is a huge number of striking works of art, more precisely - architecture.

"THE GREAT BULGARIAN"

The festival "Great Bolgar" is a large-scale reconstruction of medieval realities with jousting, authentic cuisine and music. Tournaments in historical medieval combat are held with the use of real blunted weapons on specially equipped platforms-lists.
