# The Earth Is Our Home

The earth is a garden,  
It's a beautiful place  
For all living creatures,  
For all the human race.  
Helping Mother Earth,  
We can peacefully  
roam,  
We all deserve a place,  
We can call our home.

The Earth is our \_\_\_\_\_. We must take care of it. The importance of this task is \_\_\_\_\_ by the ecologists, scientists, who study the relations between living things and their \_\_\_\_\_. Each of us must do everything possible to \_\_\_\_\_ the land, air and water clean. Of course, people undertake some measures to \_\_\_\_\_ the environment, but this activity is complicated by the economic difficulties
