A hand wearing a blue nitrile glove is shown holding the edge of a large roll of dark, ribbed material. The material has a distinct, repeating pattern of raised ridges and grooves, characteristic of a corrugated or ribbed fabric or film. The roll is positioned diagonally across the frame, with the hand at the top left corner. The background is a soft, out-of-focus light blue gradient. In the upper right corner, there is a white rectangular box with a blue border and a slight drop shadow, containing the Russian text 'Материалы будущего' in a bold, blue, sans-serif font.

A hand wearing a blue nitrile glove is shown holding the edge of a large roll of dark, ribbed material. The material has a distinct, repeating pattern of raised ridges and grooves, characteristic of a corrugated or ribbed fabric or film. The roll is partially unrolled, showing its thickness and texture. The background is a soft, out-of-focus light blue and white, suggesting an industrial or laboratory setting.
