- **Следующее поколение авиационных специалистов (NGAP)**

- It has been recognized by the international aviation community that there will be an anticipated shortage of skilled aviation professionals in the near future. In order to address this important issue, ICAO launched the Next Generation of Aviation Professionals (NGAP) initiative to ensure that enough qualified and competent aviation professionals are available to operate, manage and maintain the future international air transport system.

Internships at IATA

Give Wings to Your Dreams

IATA Internships incorporate talented, innovative and motivated individuals, fresh from academic training, into the IATA working environment. Each intern has significant opportunities to demonstrate skills as well as to learn and develop in an international business environment.

Internships at IATA are available in two programs:

- › **International Graduate Internship Program (IGIP)** - full-time opportunity for recent university graduates
- › **Undergraduate Internship Program (UIP)** - part-time opportunity for current undergraduate students

IATA strives to attract the very best and brightest recent graduates from around the world. These interns are exposed to the unique challenges faced by IATA and contribute to our work in supporting our members and our industry by performing junior professional tasks.
