Who is a venture capitalist?

A private equity investor

Provides capital to companies with high growth potential in exchange for an equity stake

Invests as can earn a return on the investments if companies are a success

Some facts about venture capitalists

may fail, because the companies they give money to, are unstable

can work on their own, but usually for a venture capital firm

form limited partnerships (LP) where the partners invest in the VC fund

To the history of venture capitalism

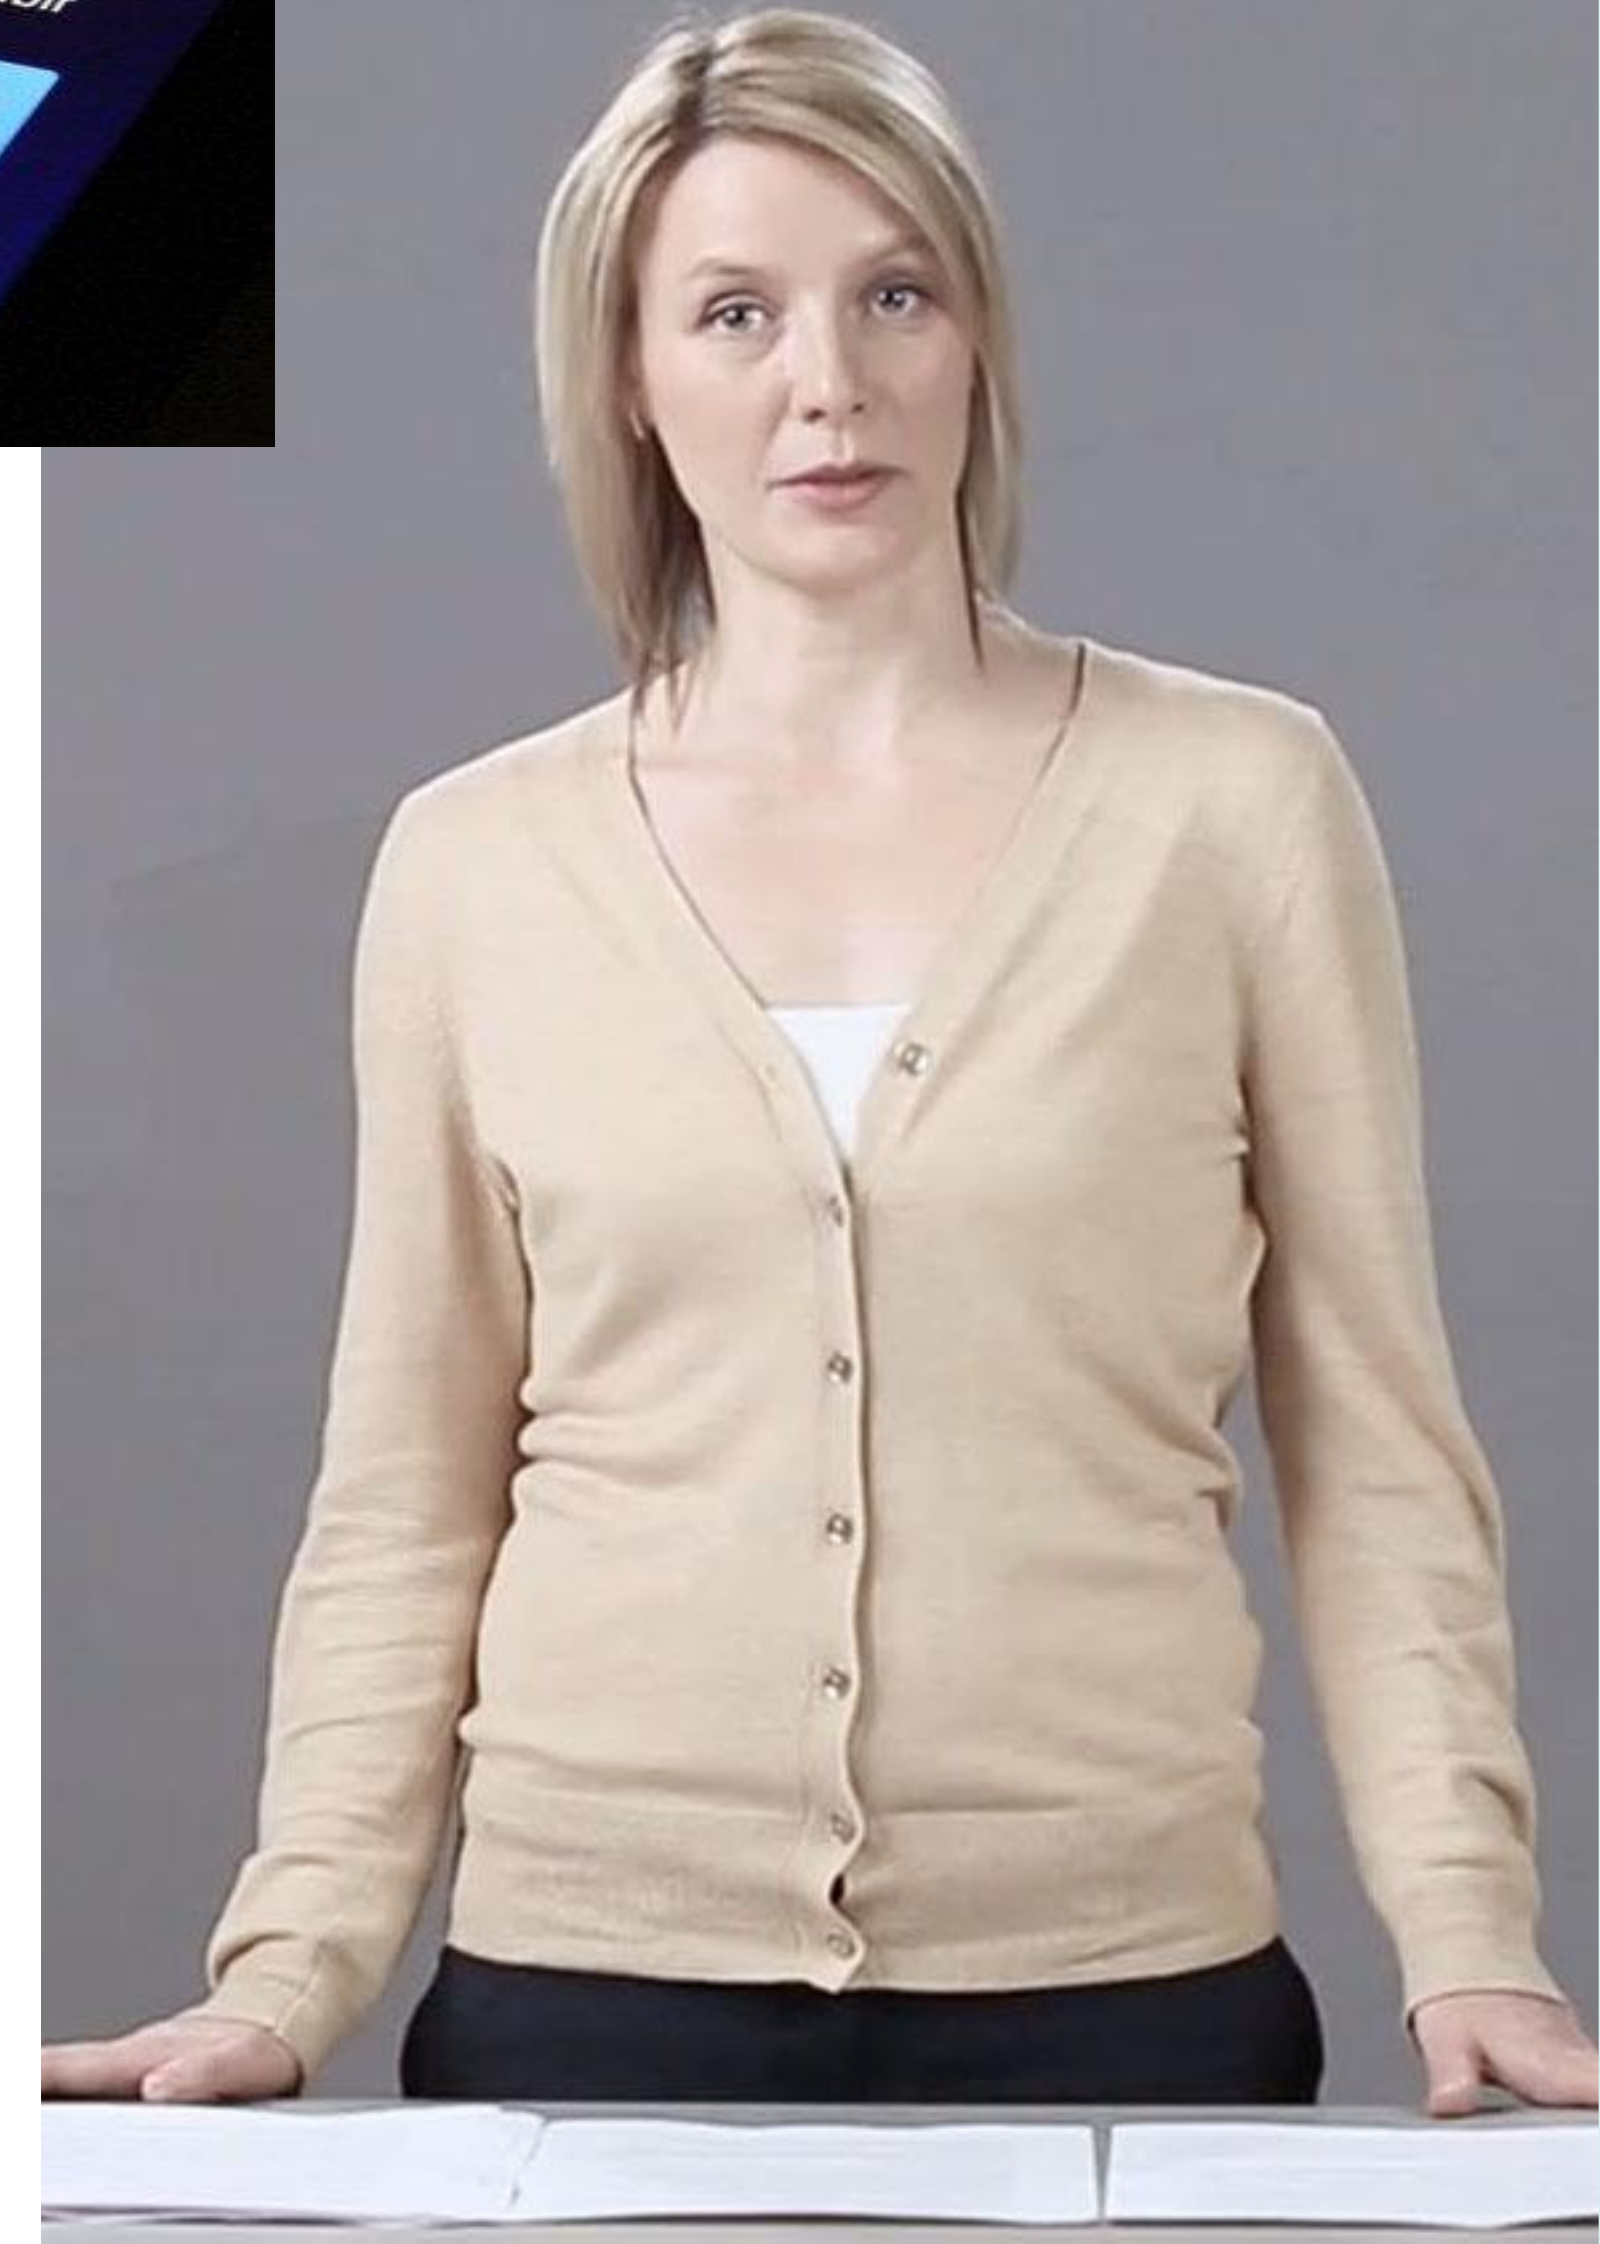

- 1
 - started in the early to mid-1900s in the USA
- 2
 - Rockefellers or Vanderbilts were the 1st to fund startups or provide capital for growth
- 3
 - the National Venture Capital Association was founded in the early 1970s

Companies that used venture capital (received funding – got money)

- **Twitter, Skype**
- **Ring, Facebook**
- **Groupon, Sportify**
- **Dropbox, Bitcoin**

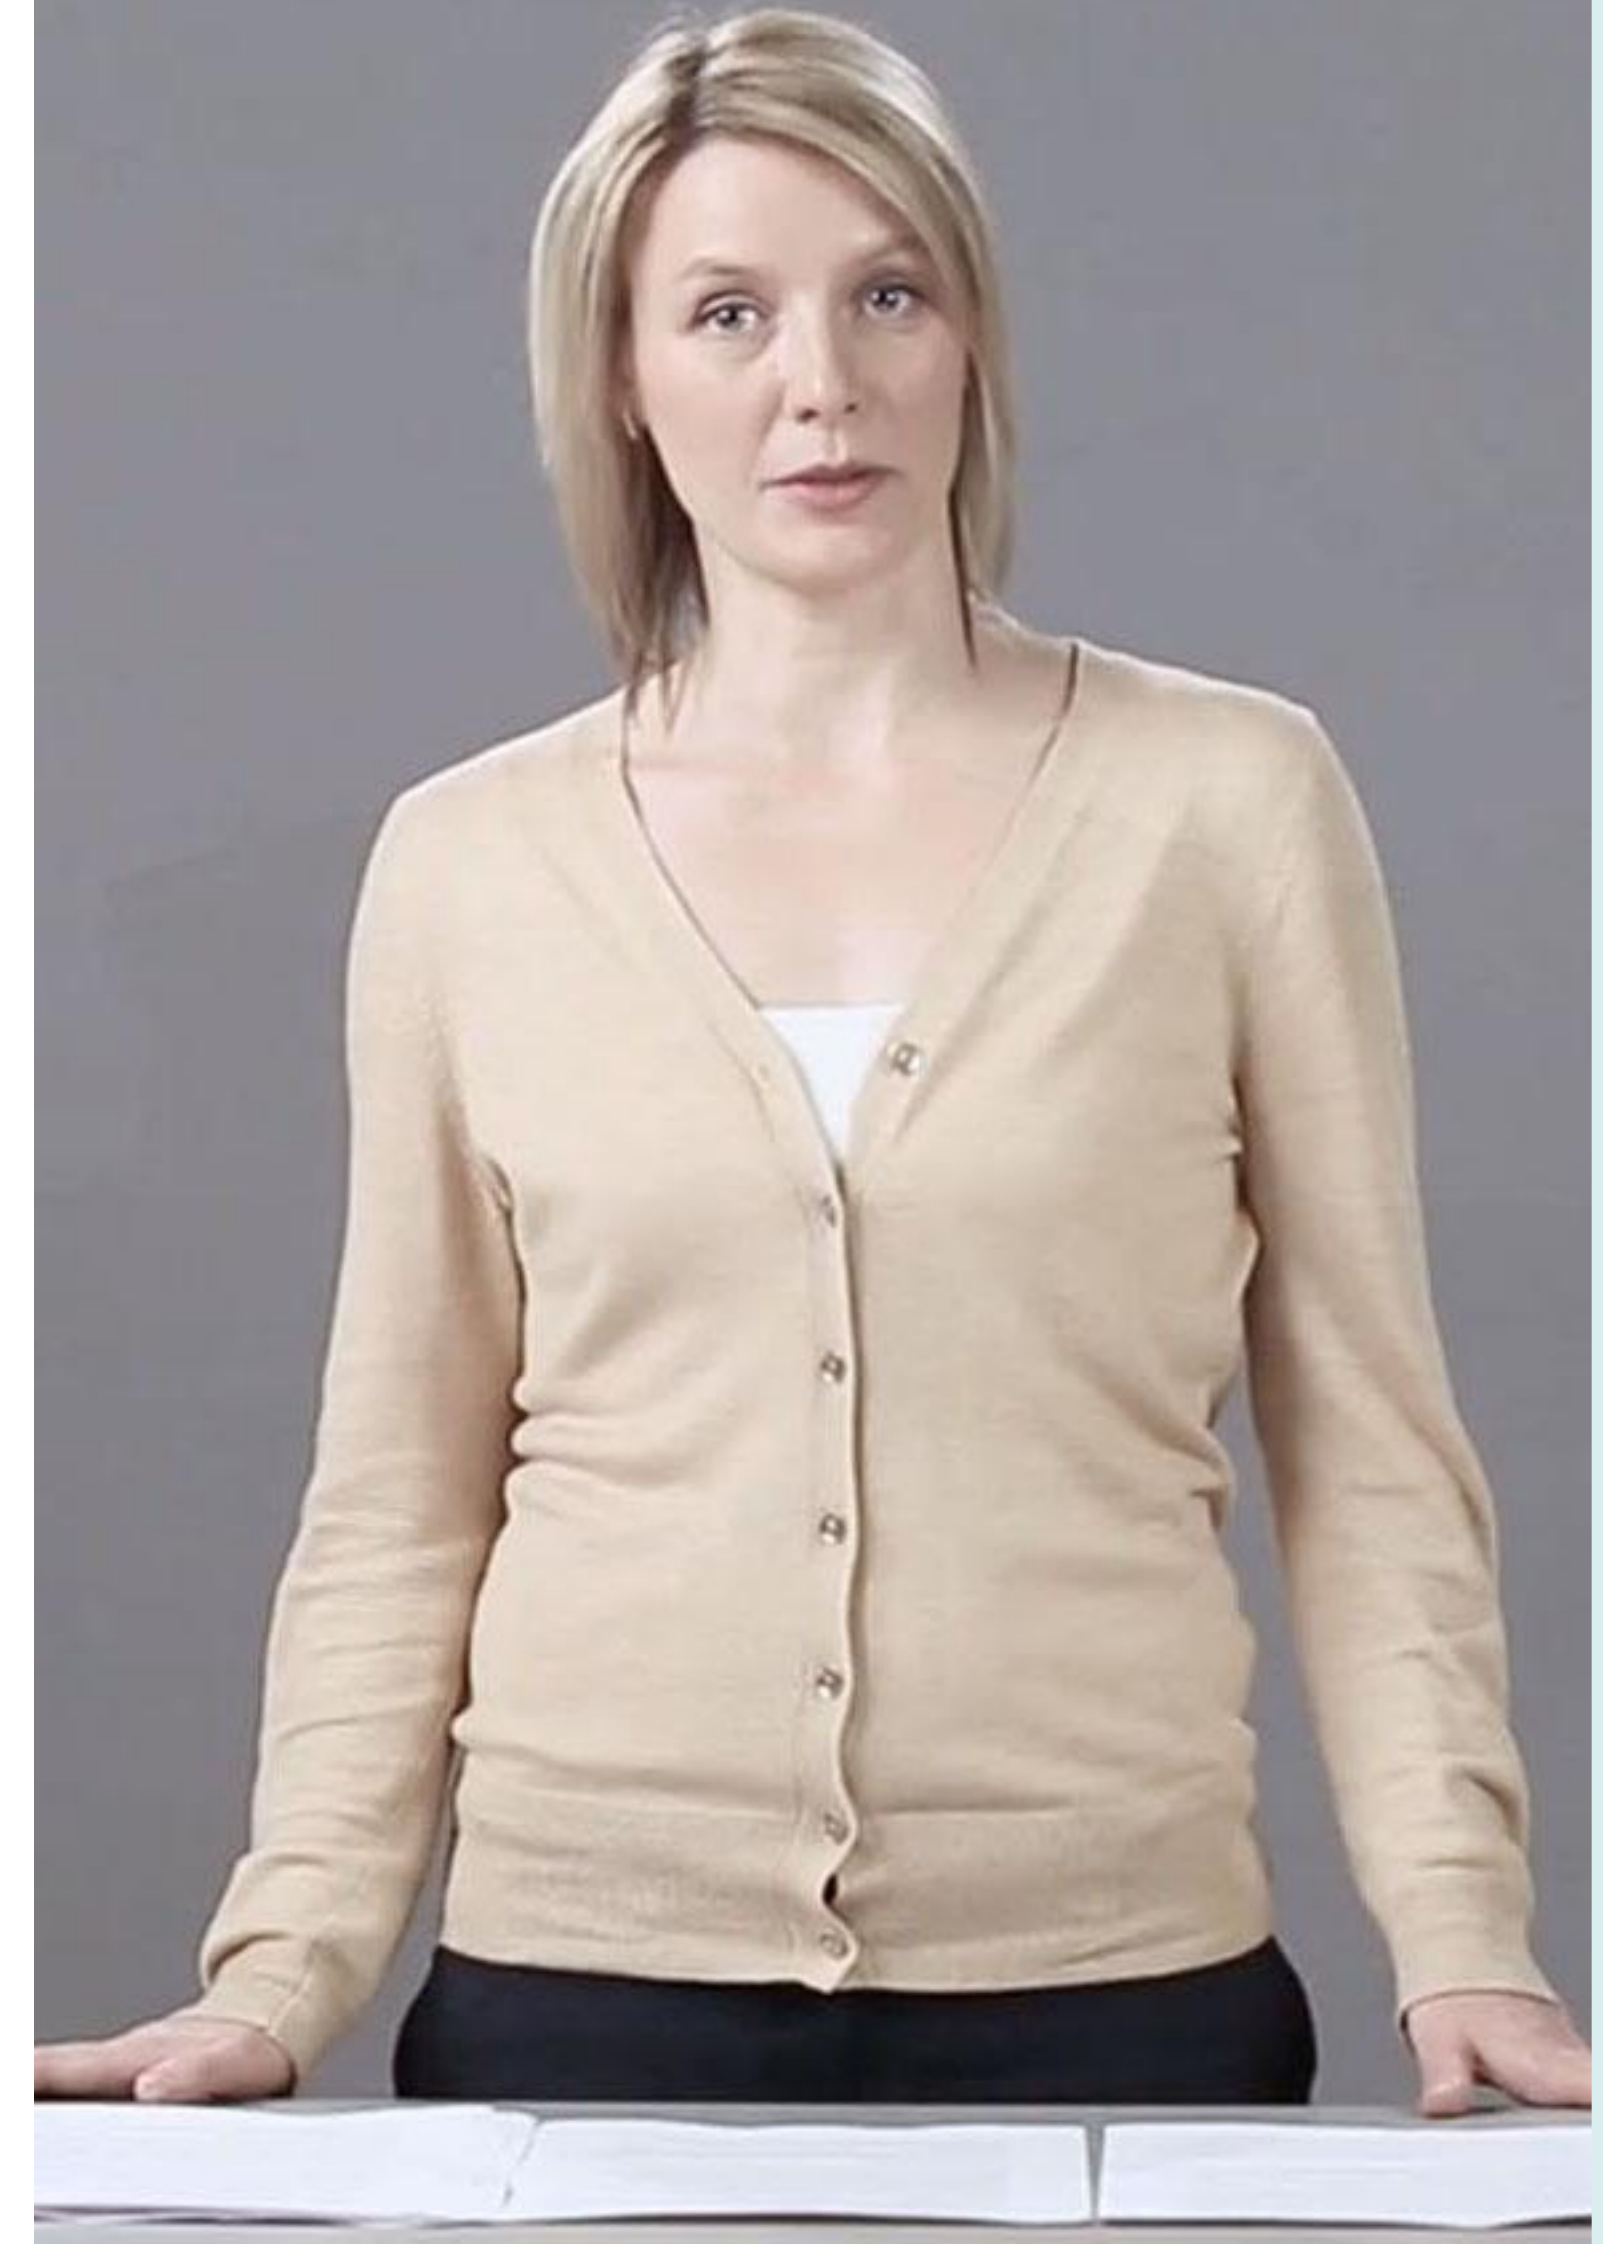

KEY TAKEAWAYS

- To be an investor
- To provide capital – to invest money
- To show high growth potential
- In exchange for equity stake

- A startup
- To seek (look for) a return
- To experience high rates of failure

And who are Angel investors?

- ❑ **Angel investors** (private investors, seed investors or angel funders) are individuals that invest in startups.
- ❑ **Seed** –семя, в переносном смысле seed investment (seed money, funding)– Посевное финансирование
- ❑ **Seed investment is investing** funds and providing support to projects and businesses that are in their very early stages

Some vocabulary to look at

- ❑ Entrepreneur – предприниматель (someone who starts their own business, especially when this involves seeing a new opportunity)
- ❑ One-time investment – единовременная инвестиция
- ❑ To get off the ground – буквально «оторваться о земли» - to start (the business)
- ❑ An ongoing injection – «постоянное вливание» - constant flow of money

- ❑ To carry (the company) through an early stage – «провести... через» - to help the company at the starting (initial) stage

So, what the angel investors do – they ...

Invest their own money

exchange money for ownership equity in the company

Are already successful entrepreneurs

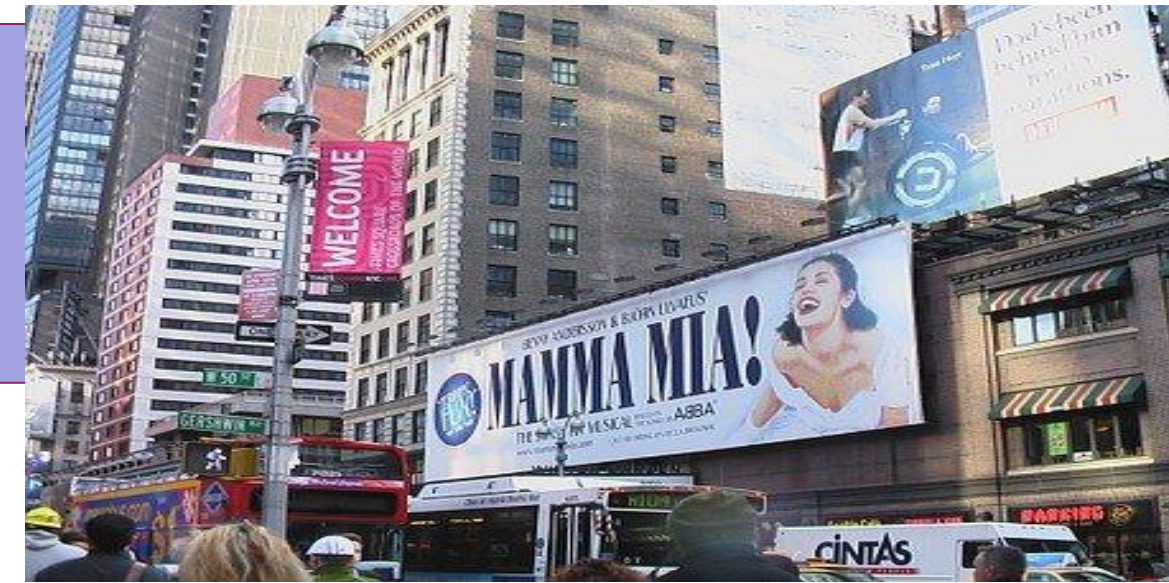

are often found among family and friends

provide a one-time investment

or an ongoing injection

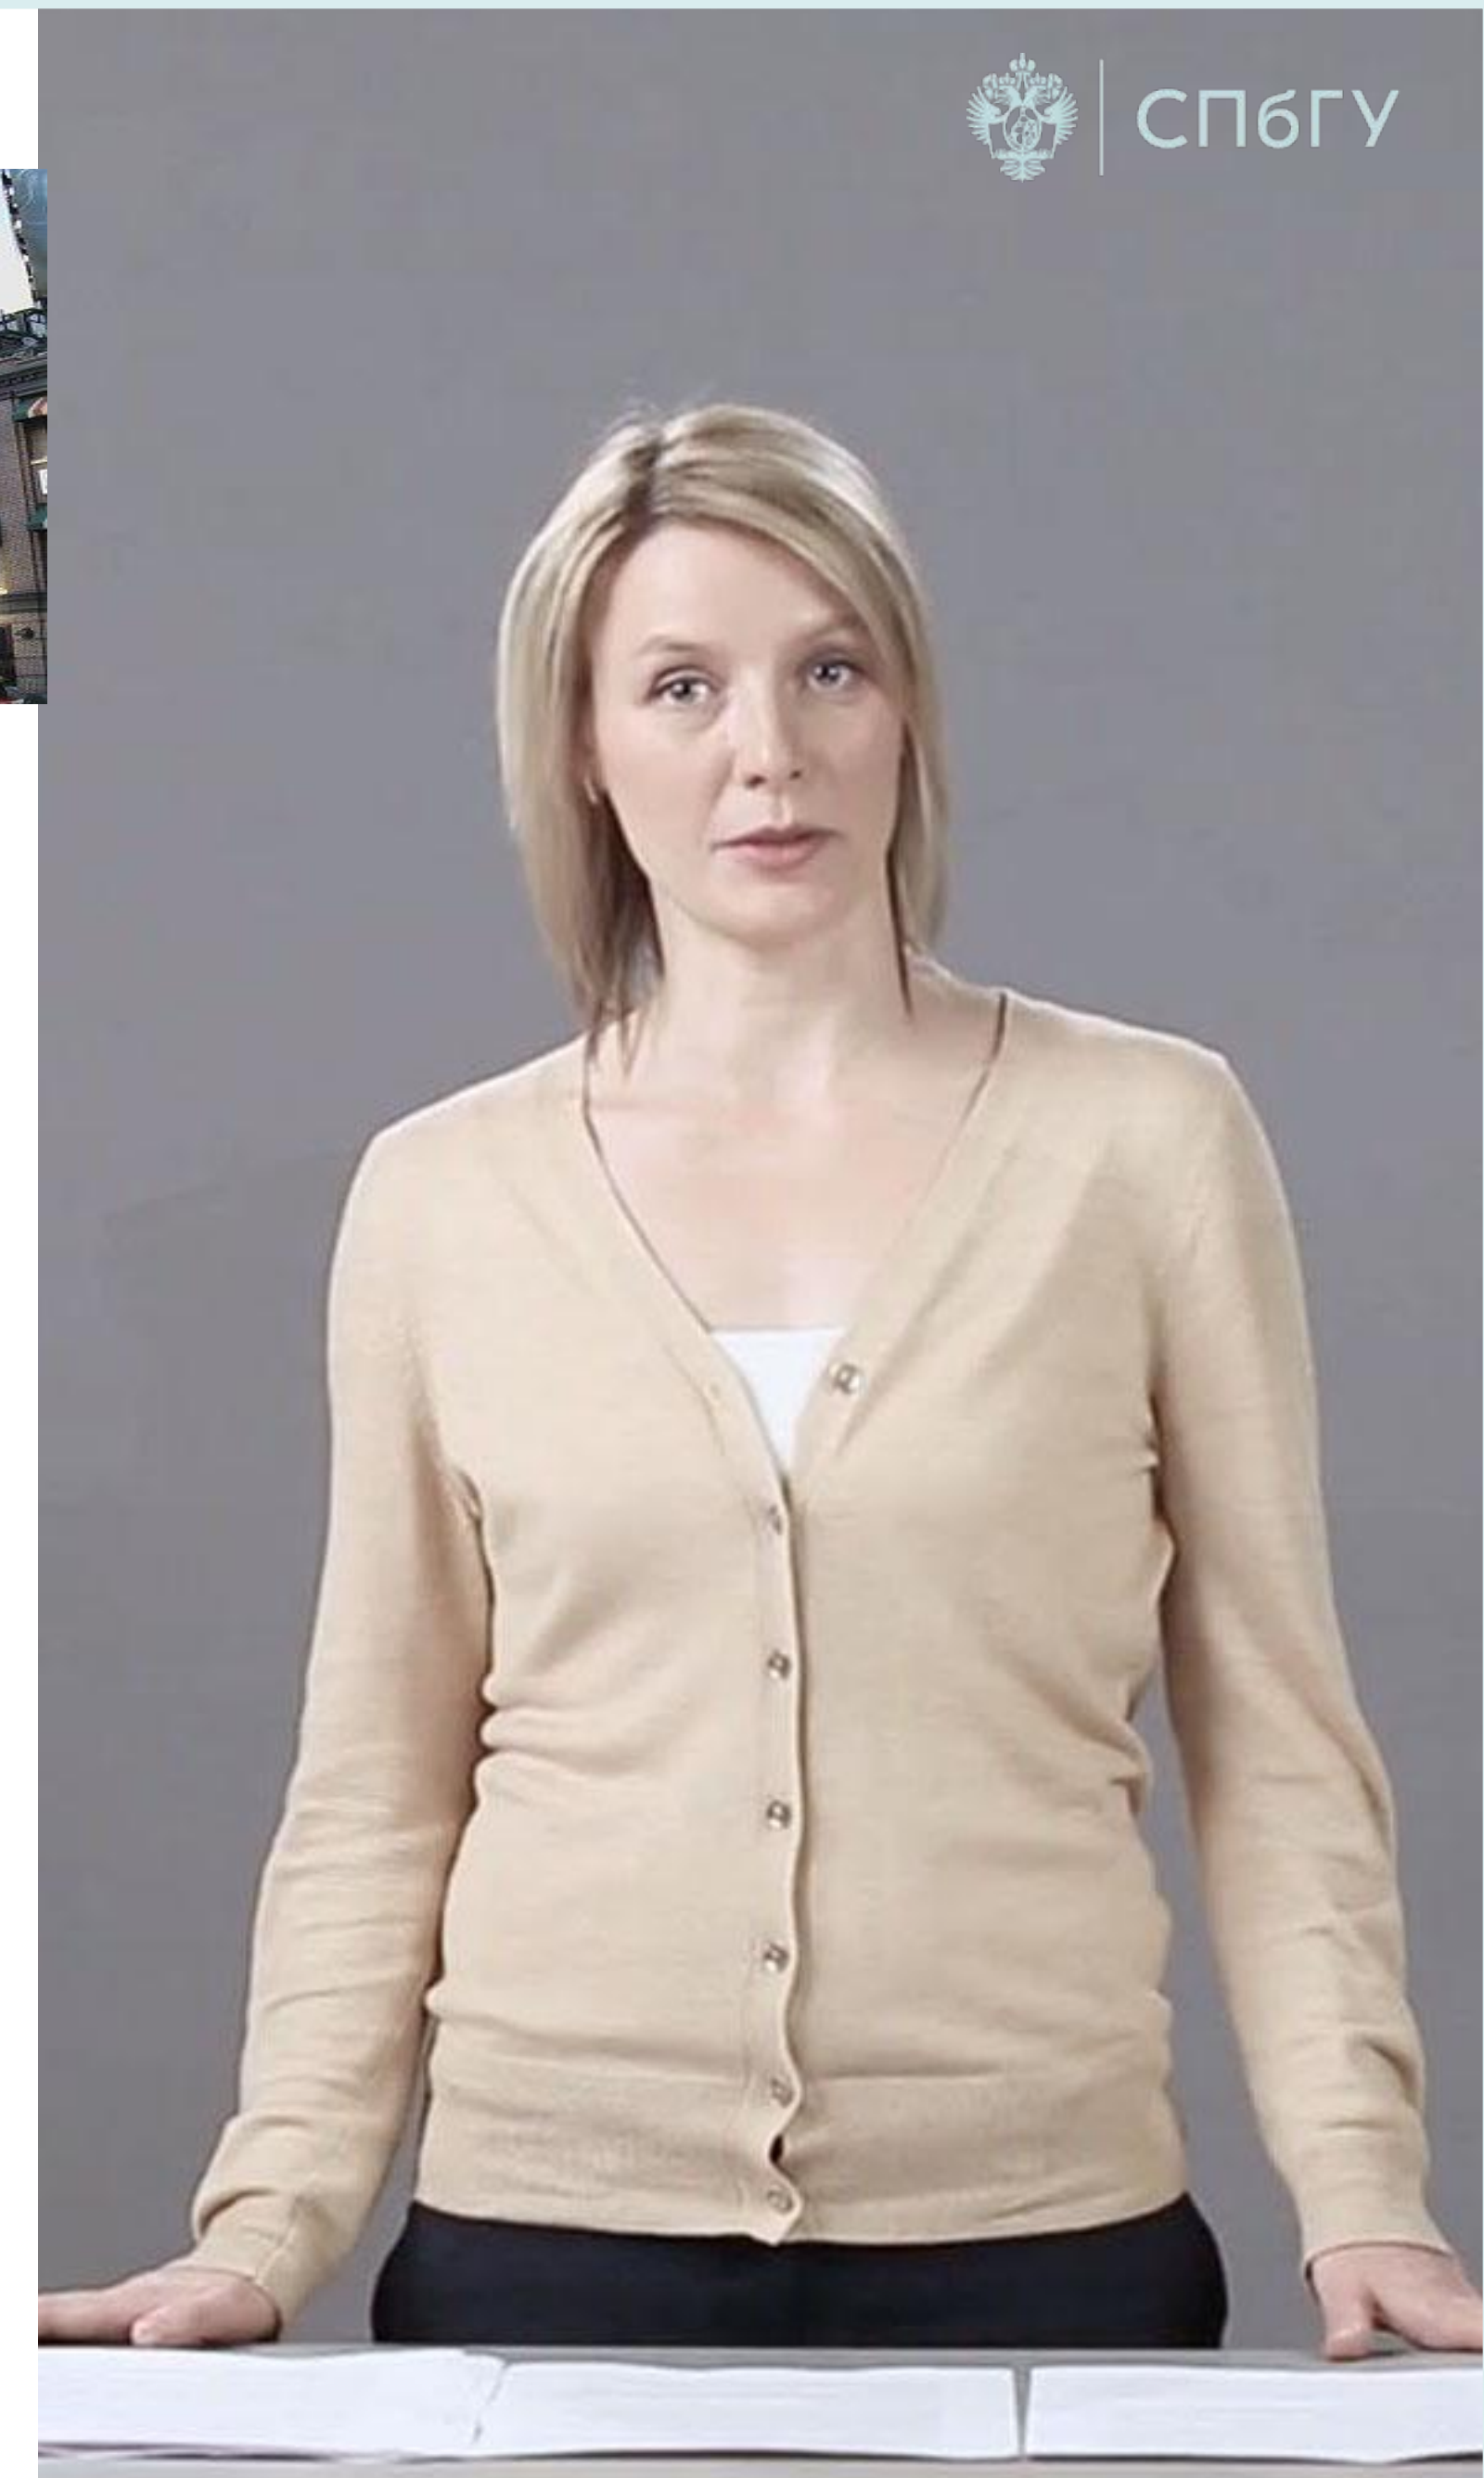

Origins of Angel Investors

- ❑ To come from – to originate from, to develop from, to derive from
- ❑ To support – to assist, to aid
- ❑ To complete – to accomplish, execute
- ❑ a study – a research, a survey, an investigation

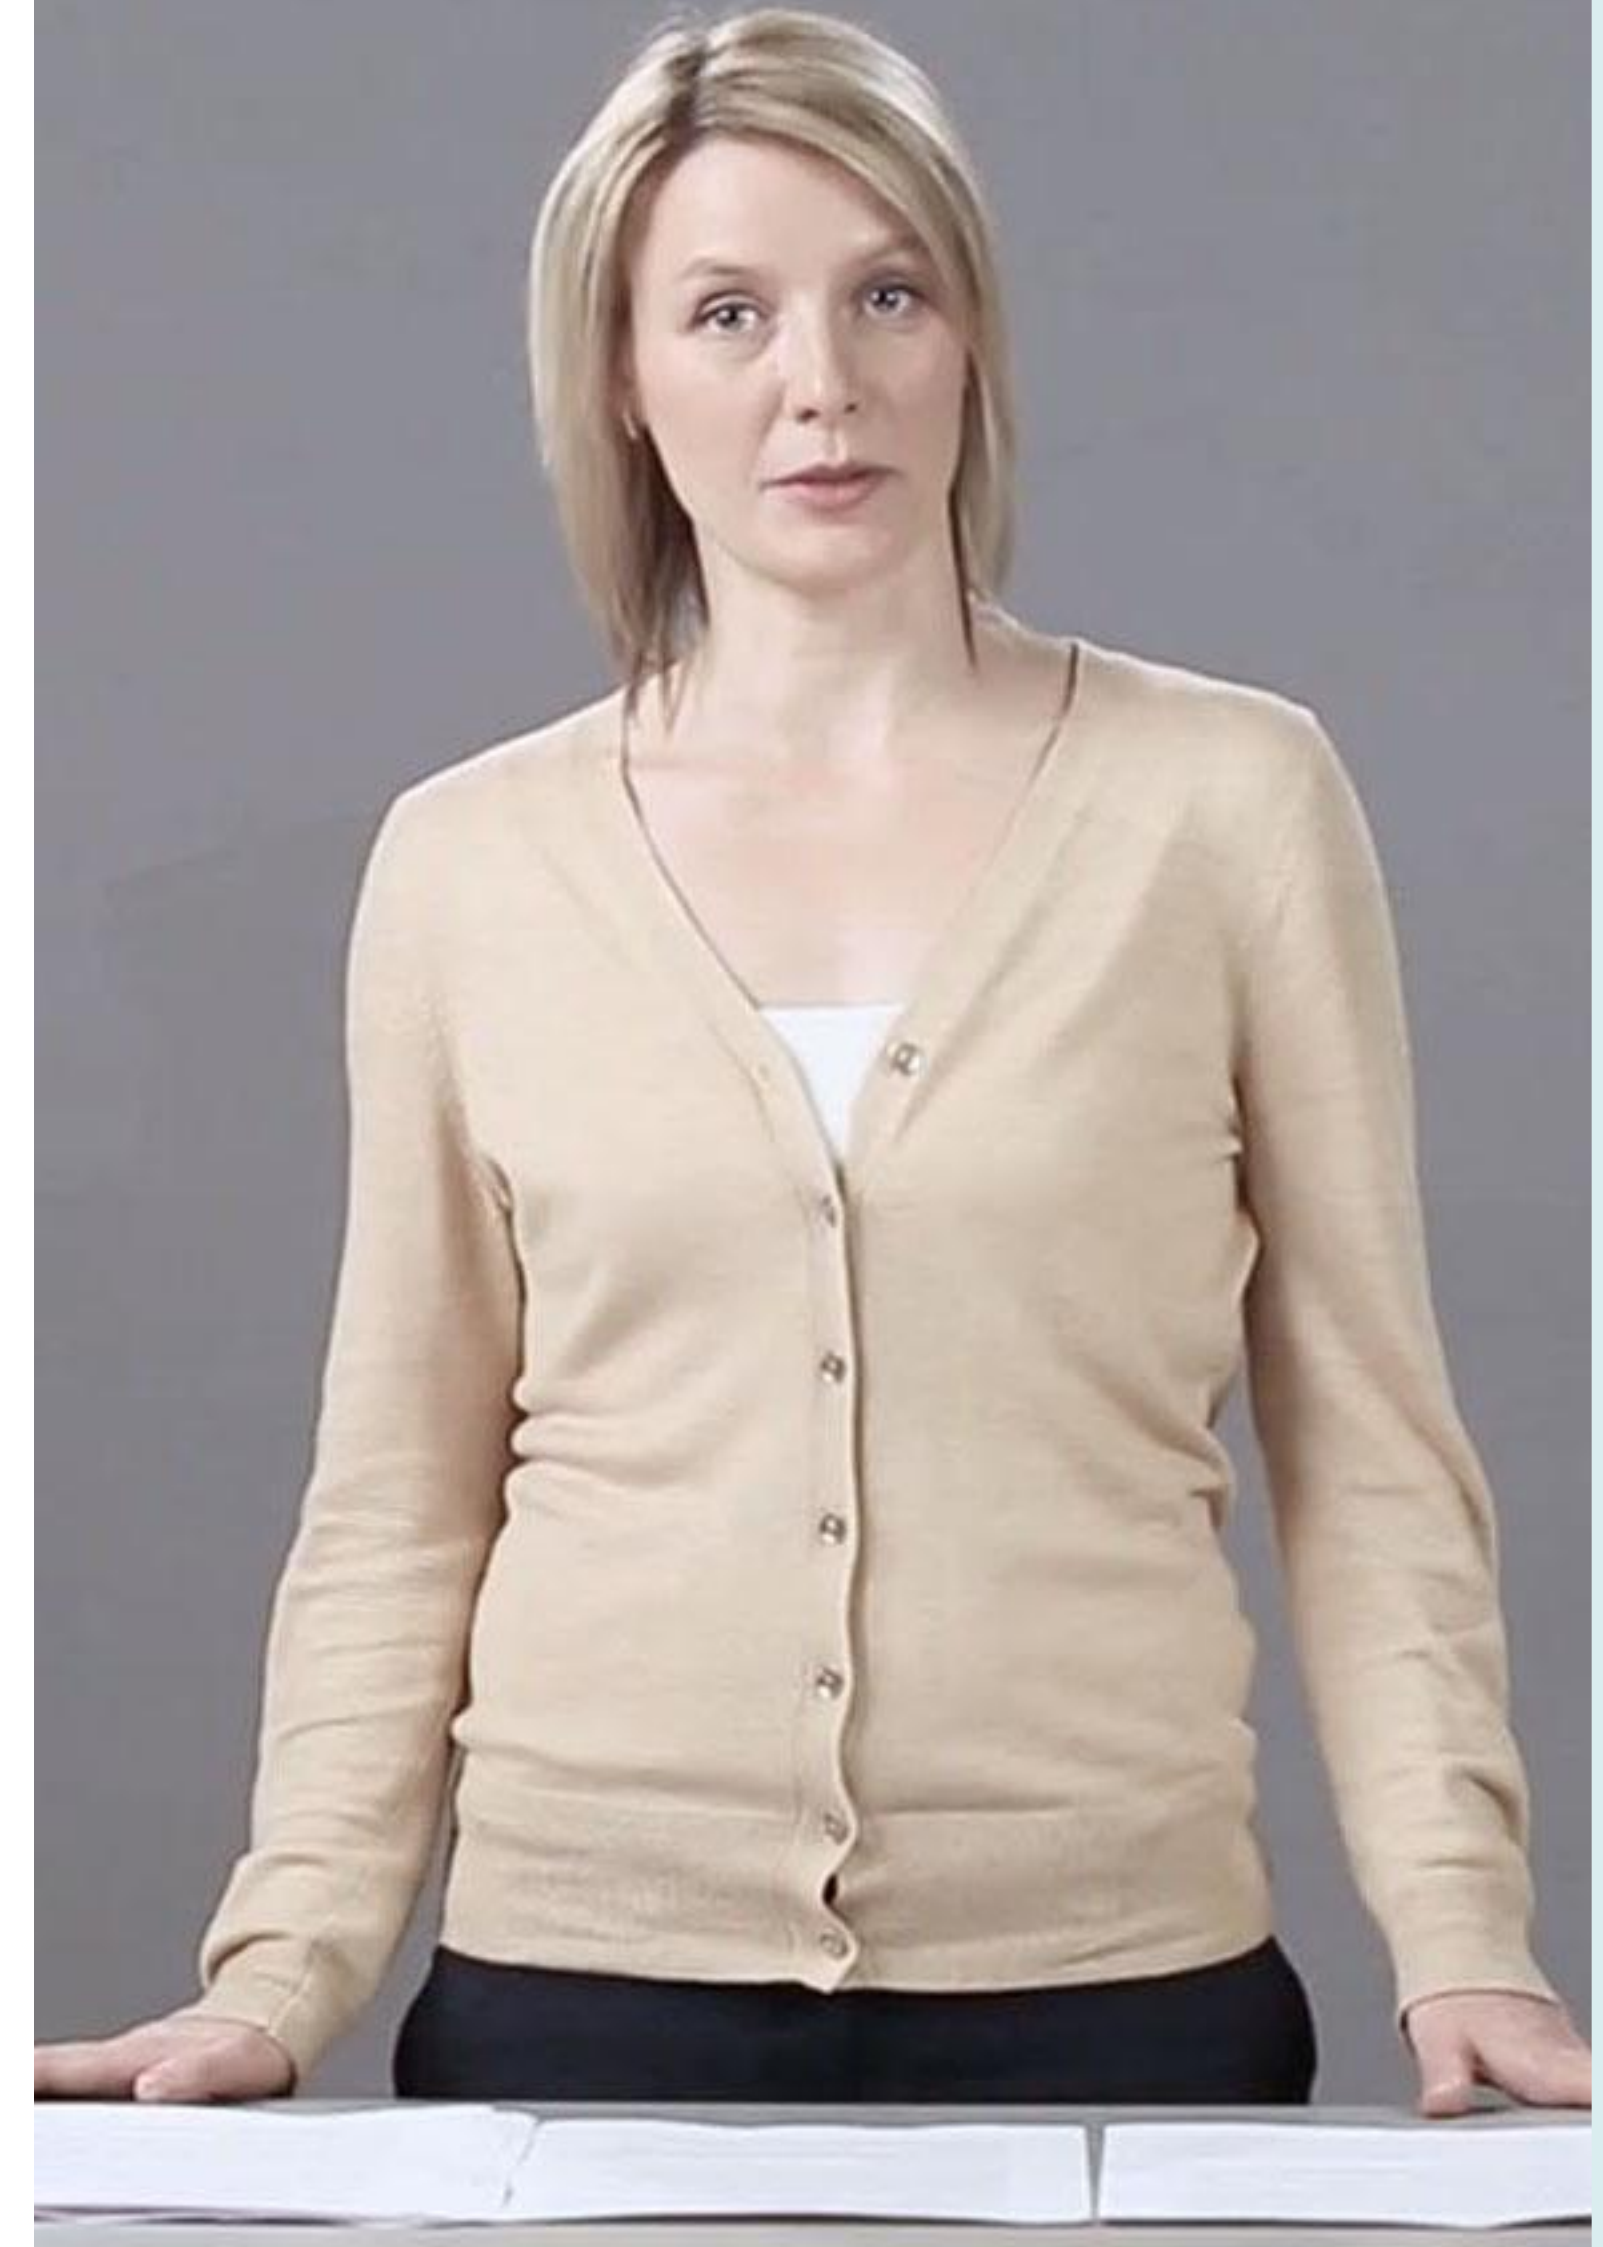

the Broadway theater!!!!

the University of New Hampshire's William Wetzel, founder of the Center for Venture Research

Sources of Funding
