$$4 - 2 = 2$$

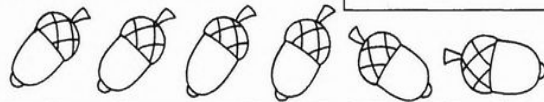

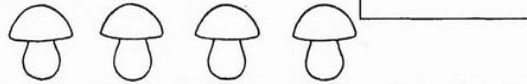

Нарисуй в рамке столько кружков, сколько нарисовано желудей.

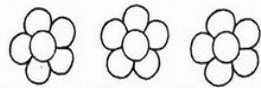

Нарисуй в рамке кружков на два больше, чем нарисовано грибов.

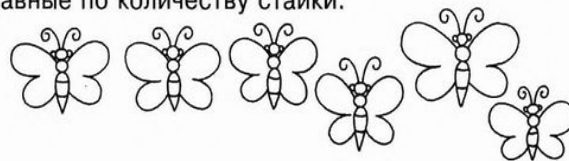

Нарисуй в рамке кружков на три меньше, чем нарисовано листьев.

Дорисуй столько же цветов, сколько уже нарисовано.

Раздели этих бабочек двумя линиями на три равные по количеству стайки.
