The ball is _____ the box.

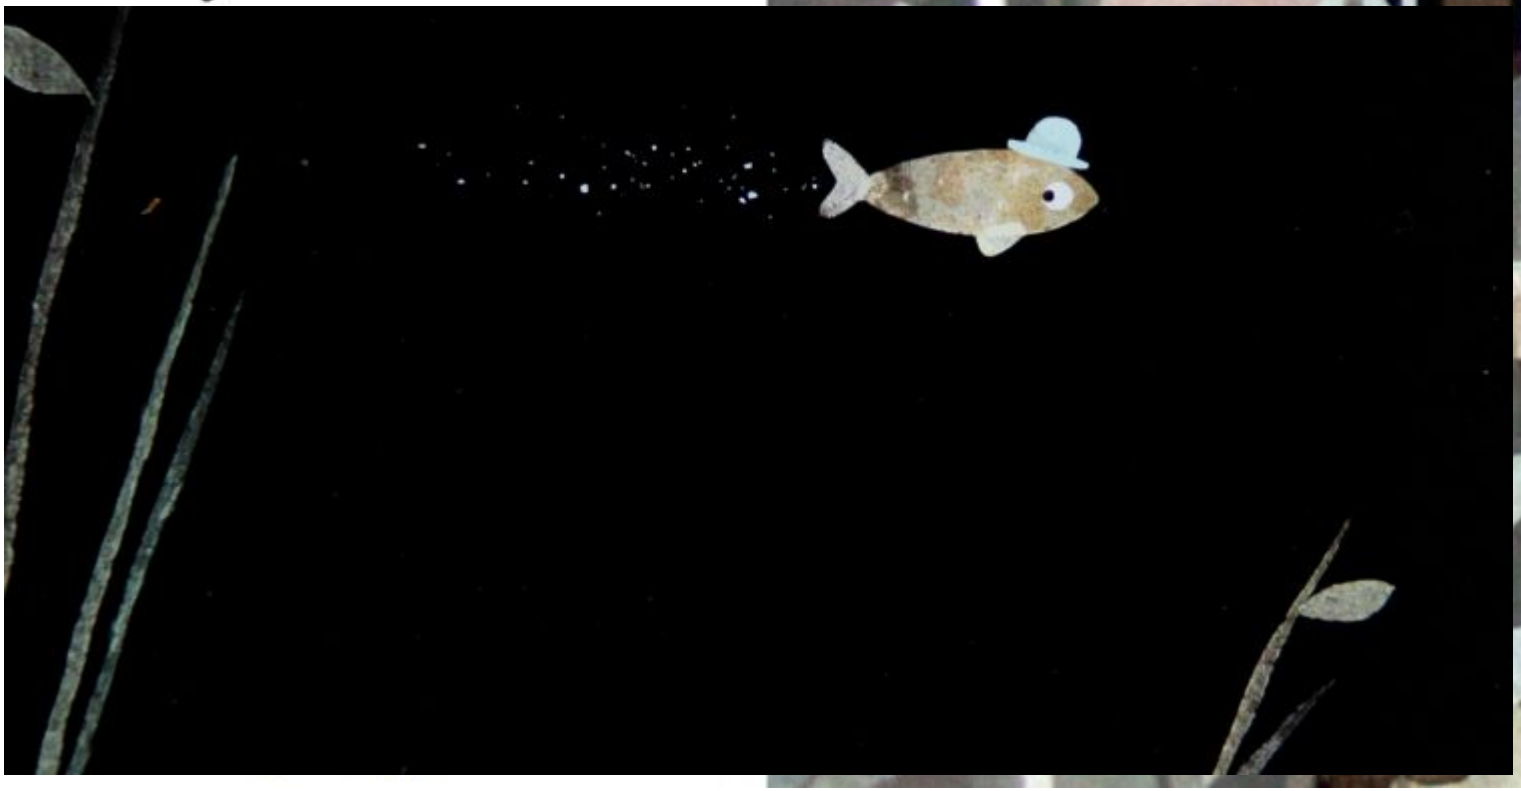
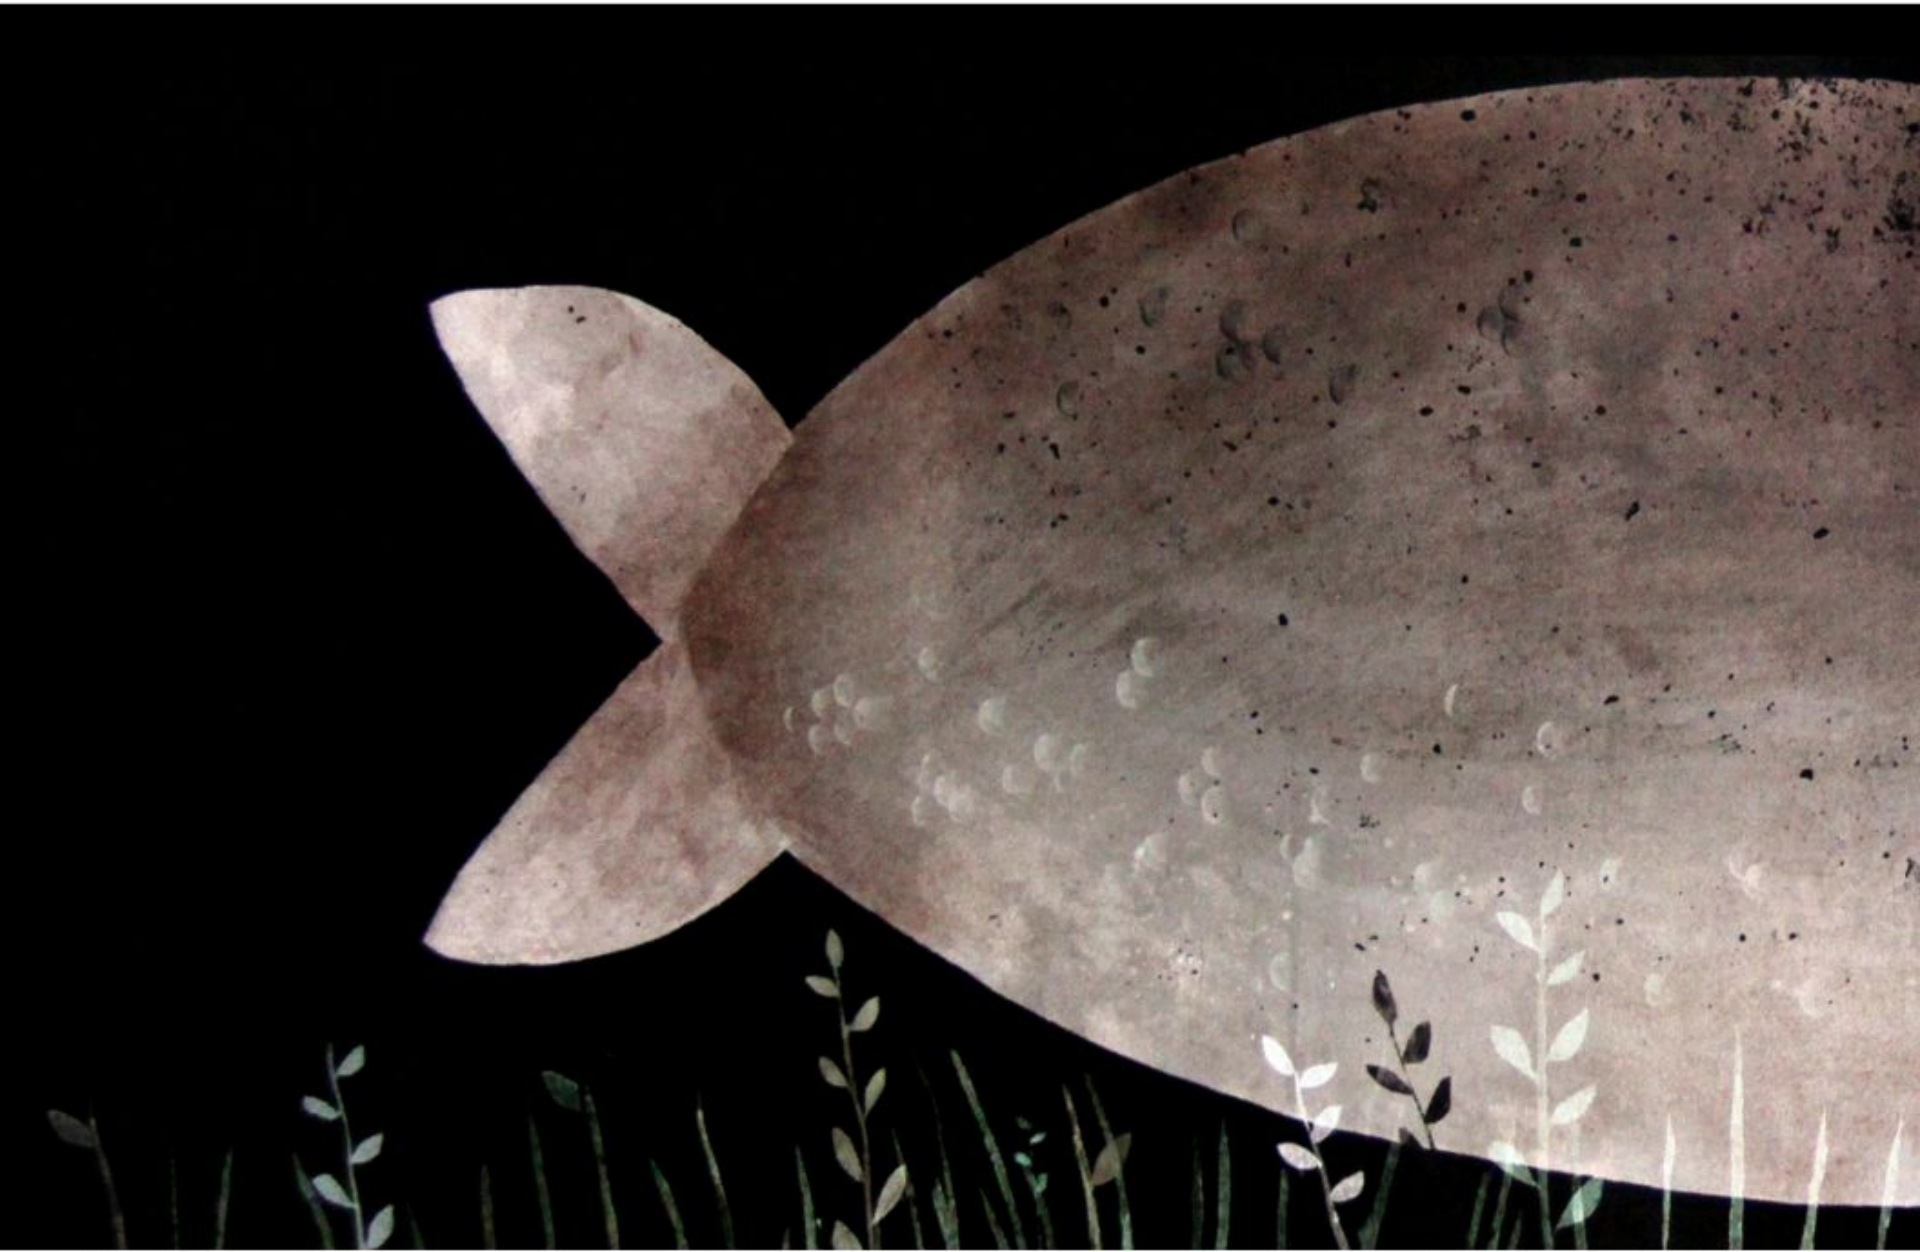
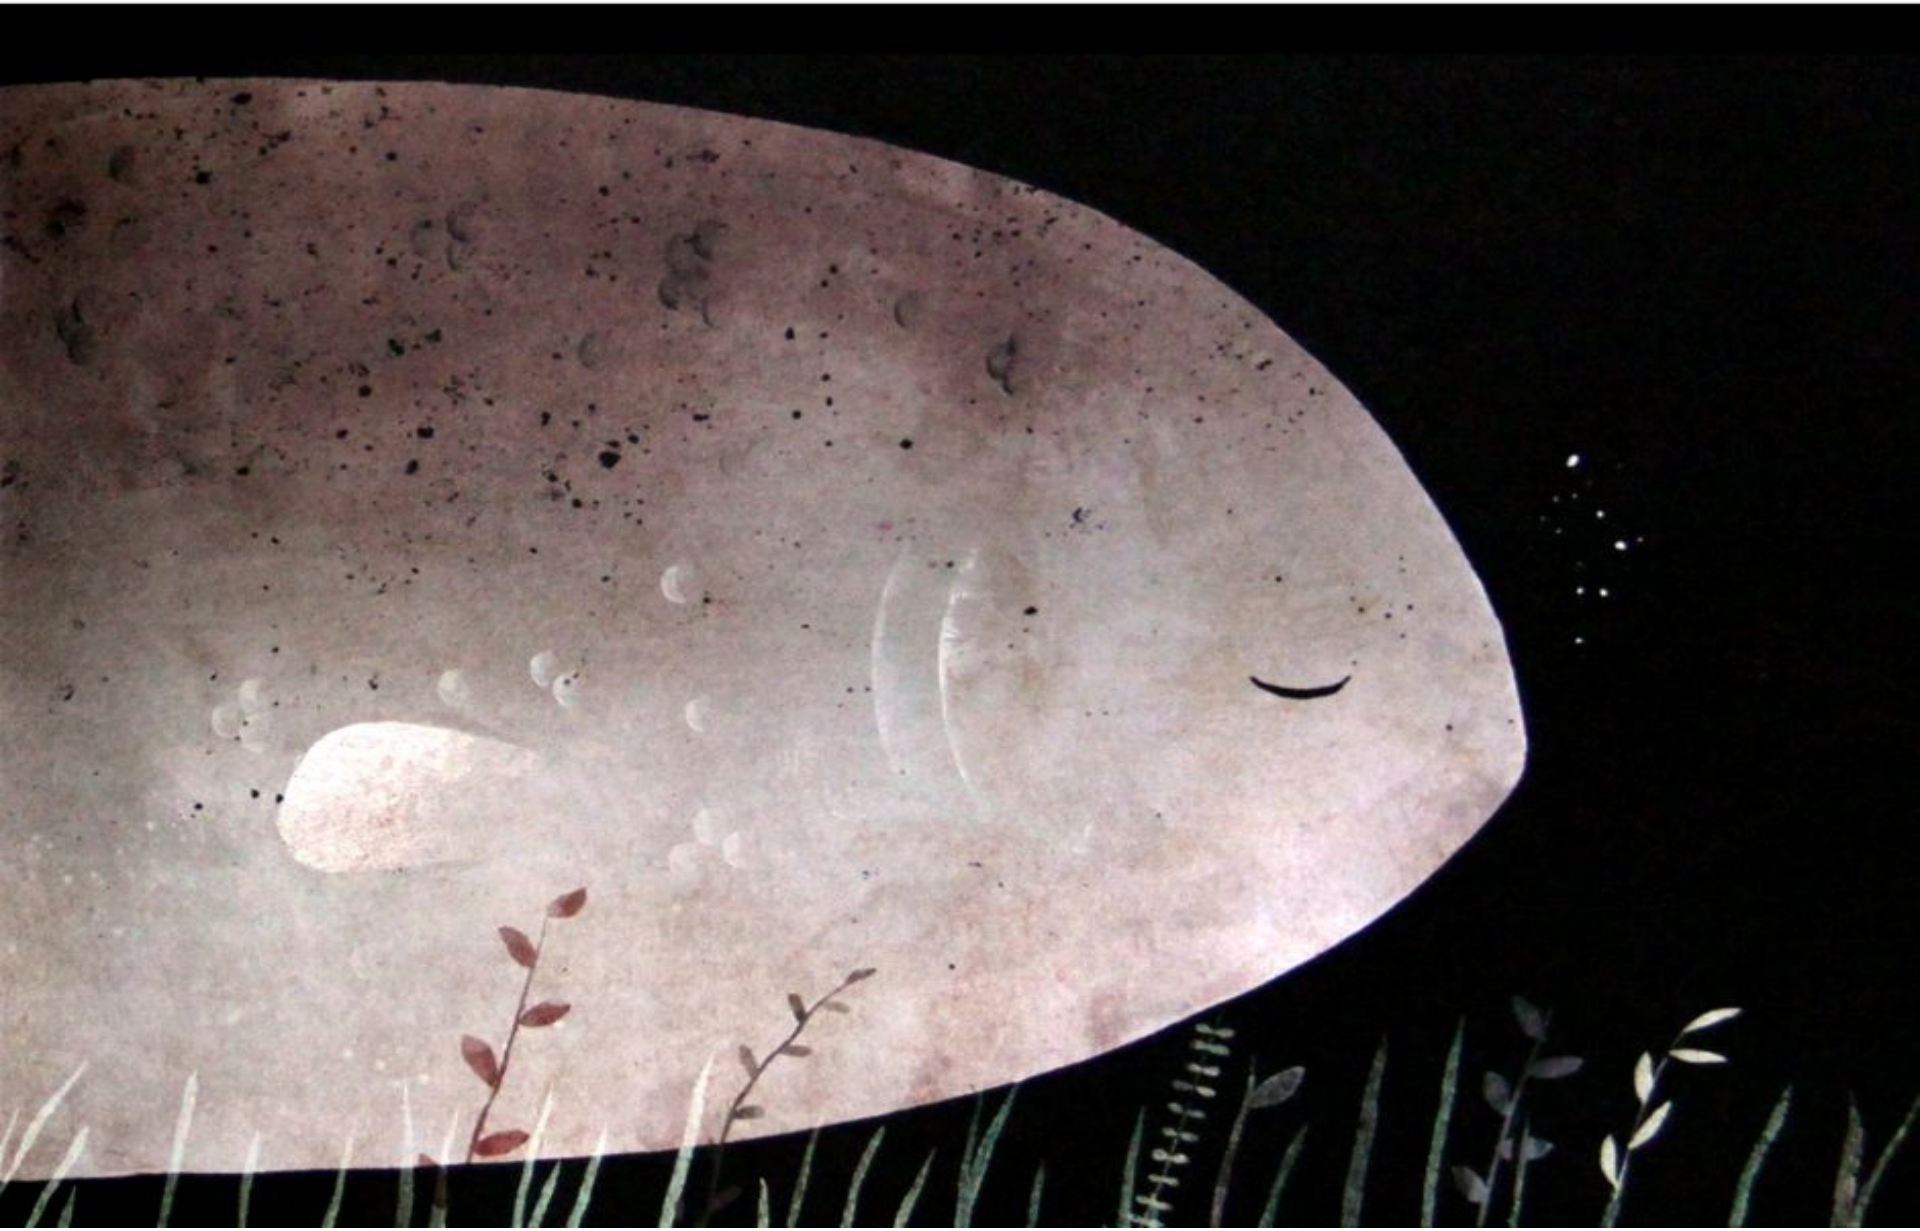
A fish has stolen a hat. And he'll probably get away with it.

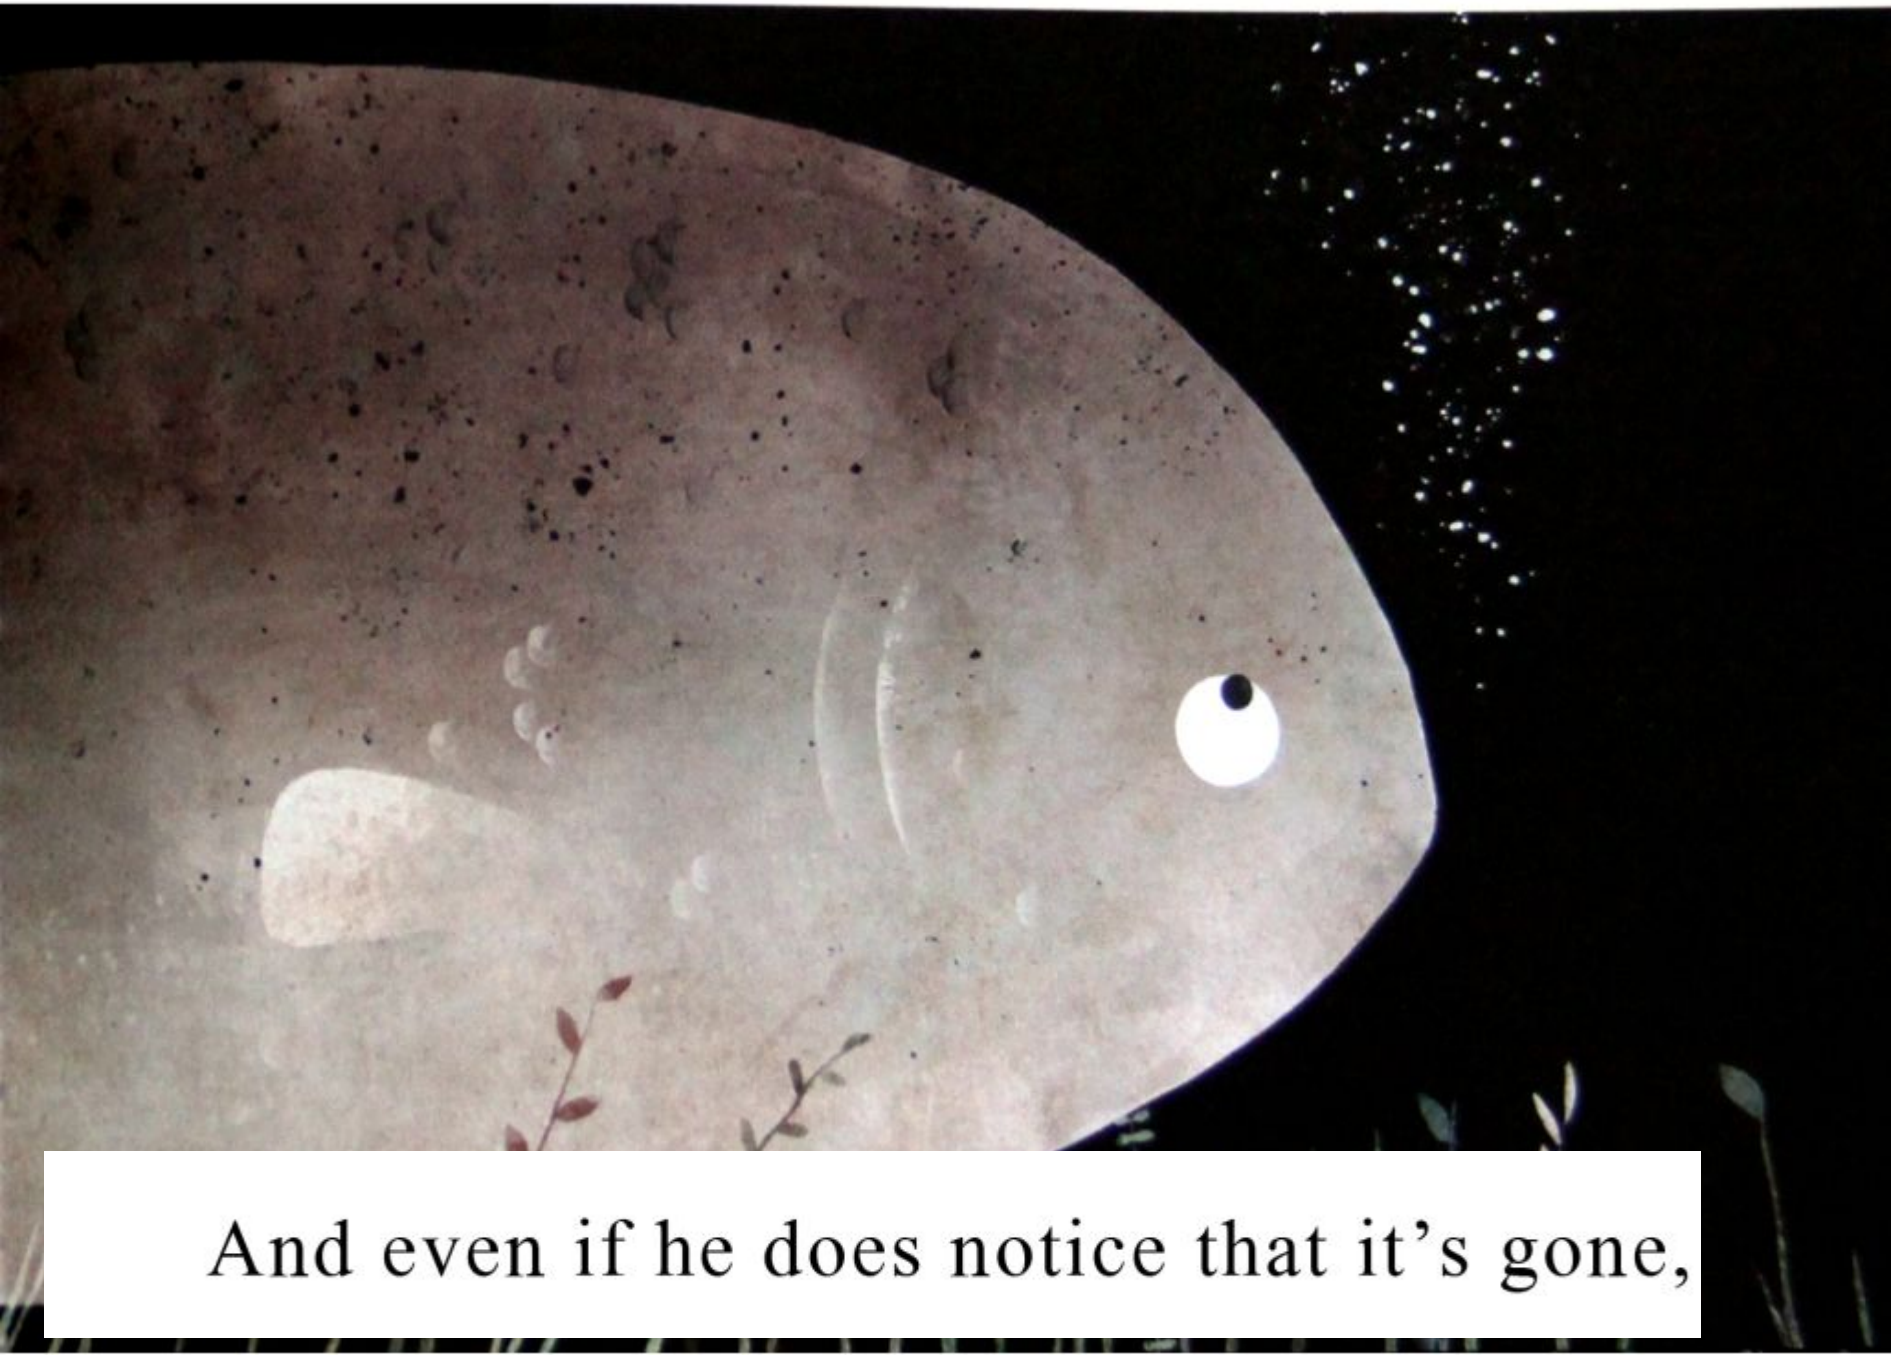


I stole it from a big fish.



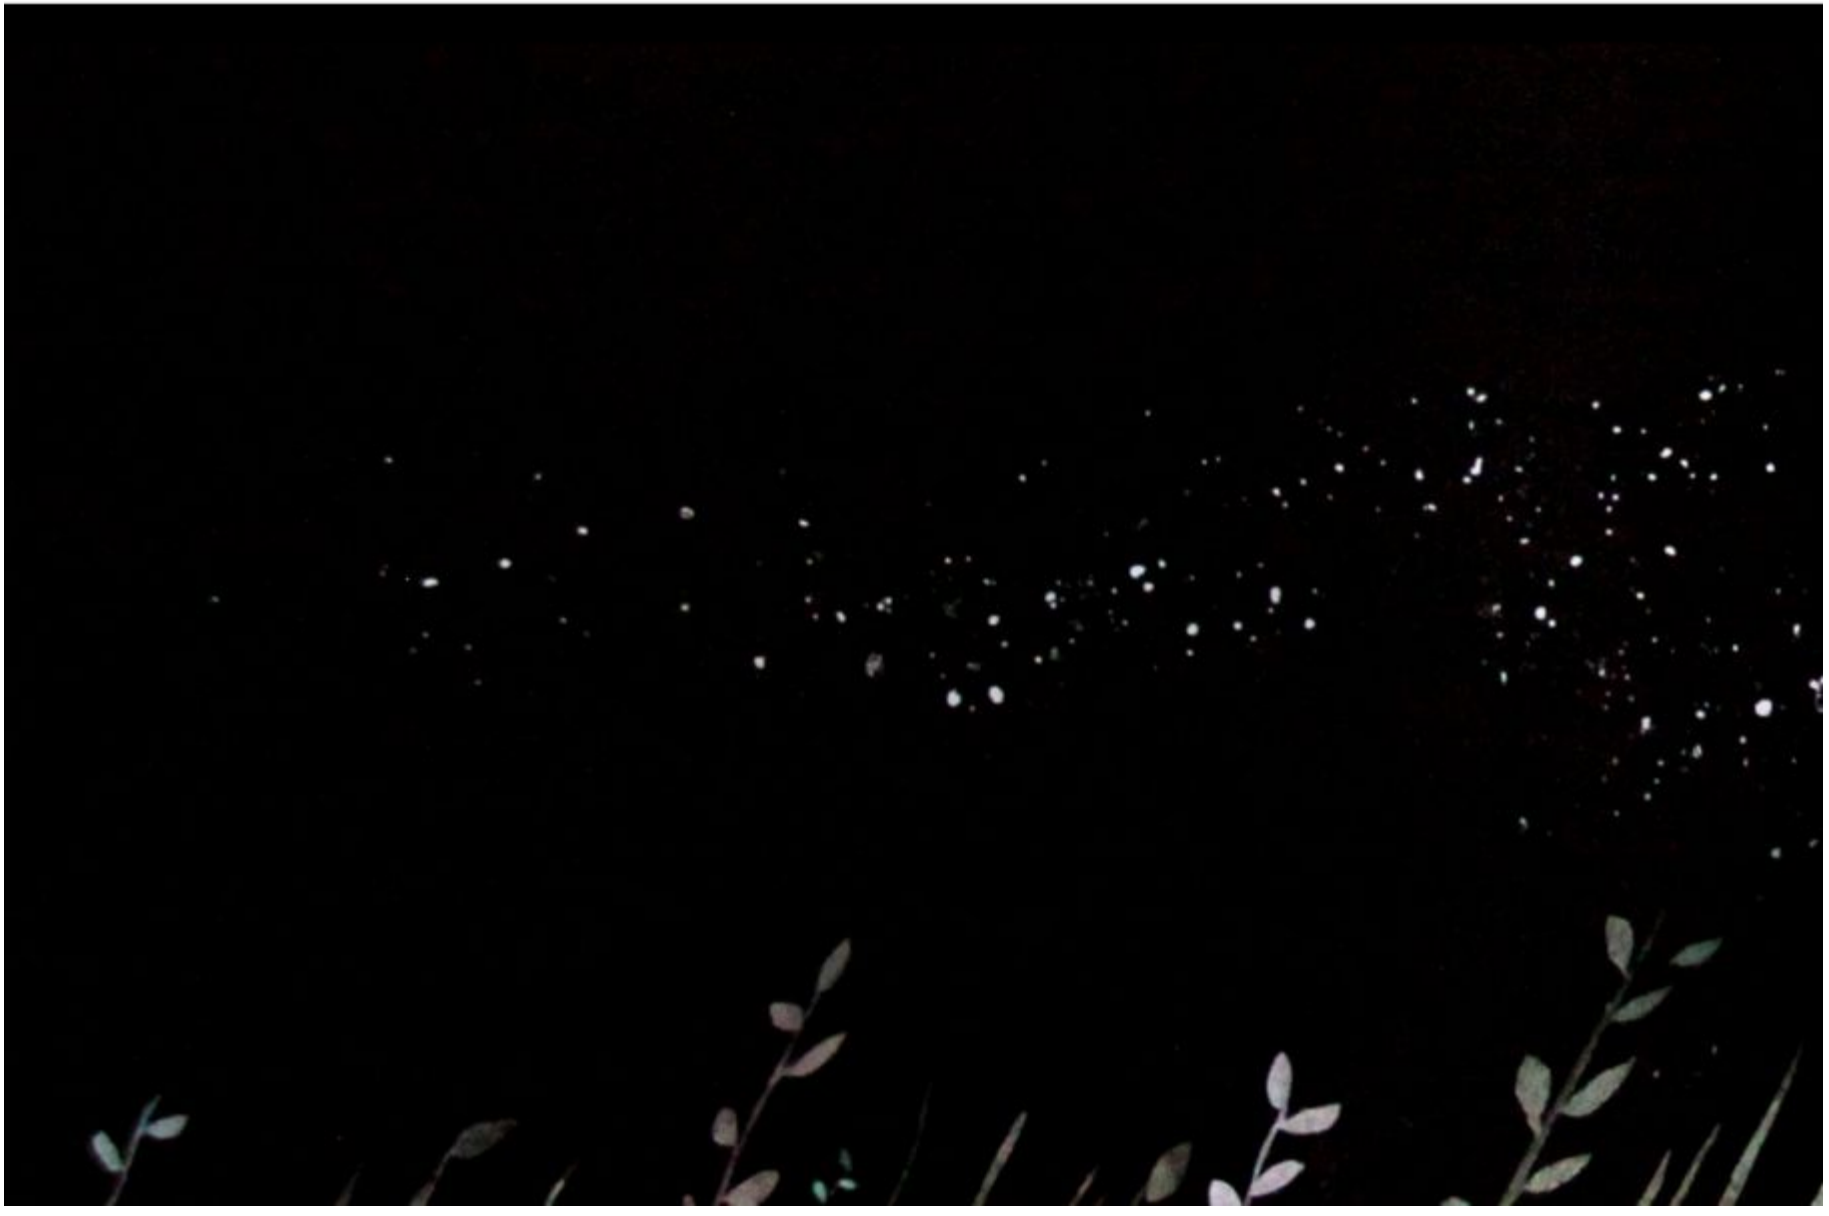
He was asleep when I did it.



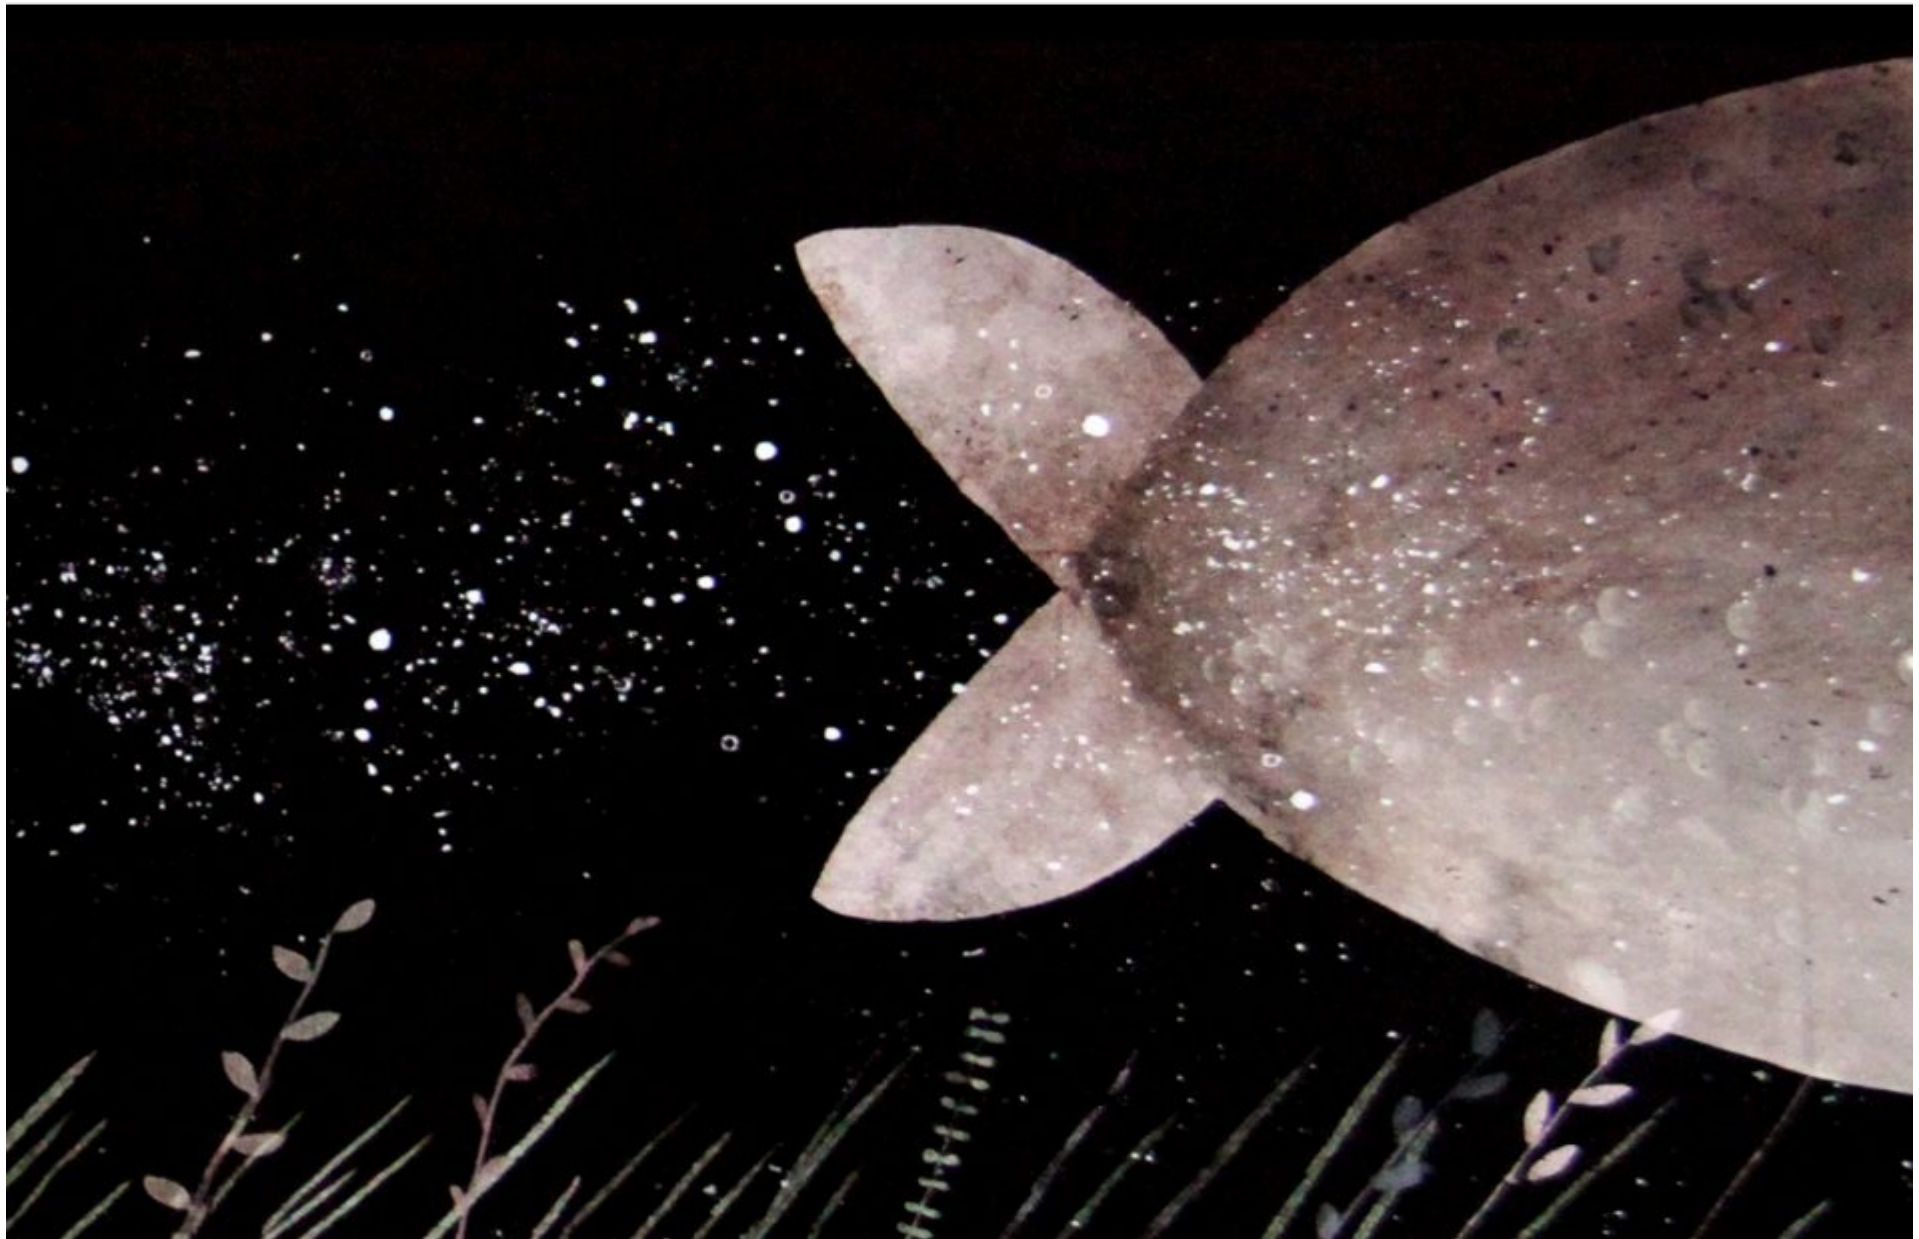


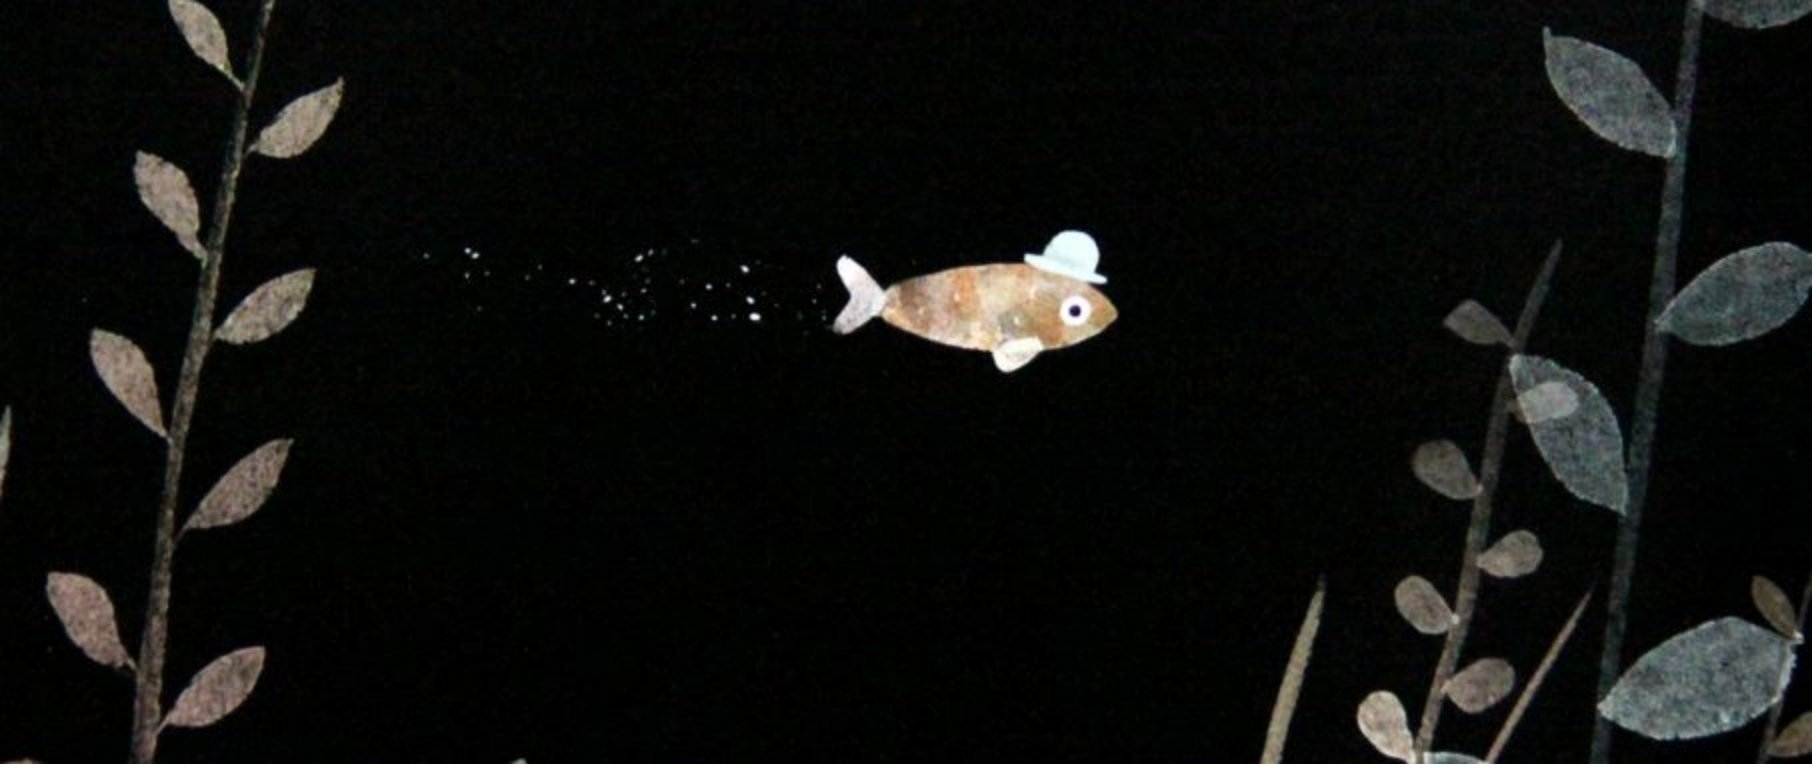
And even if he does notice that it's gone,

And even if he does guess it was me,



he won't know where I am going.





There is someone who saw me already.
But he said he wouldn't tell anyone
which way I went.

Nobody will ever find me.
