

# «Первый полёт»

The background of the slide is a photograph of a rocket launch. A tall, slender rocket is positioned vertically on a launch pad. At its base, a massive, bright plume of fire and white smoke is being emitted, indicating the start of the ascent. To the left of the rocket, a tall, lattice-structured crane stands prominently. The sky is filled with soft, white clouds, and the overall lighting suggests a bright, sunny day. The ground in the foreground is a flat, paved area.

- *BandiCam*
- *Audacity*
- *Gimp*

# Pivot Animator

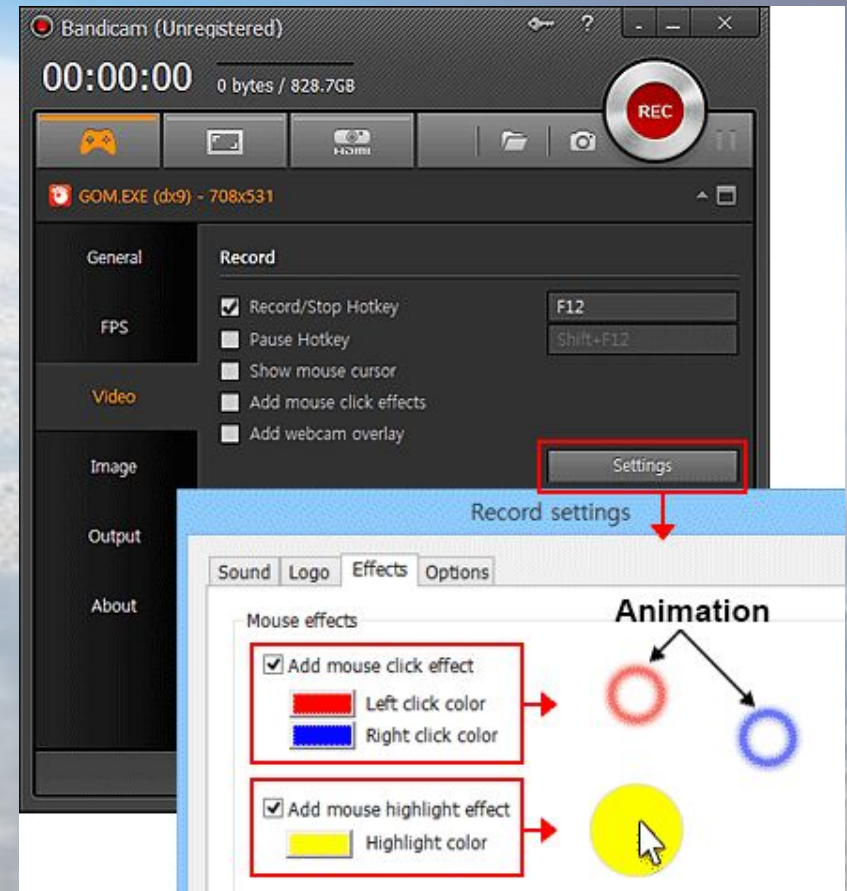

The screenshot shows the Pivot Animator software interface with several annotations:

- War 1:** Points to the **Edit** menu.
- War 2:** Points to the **Options** menu.
- War 3:** Points to the **Language** dropdown menu, which is open and shows a list of languages including English, Chinese, Croatian, Czech, Deutsch, Dutch, English, Español, Español\_Latino, Finnish, Français, Greek, Hebrew, Hungarian, Indonesian, Italiano, Norwegian, Polski, Portuguese-BR, **Russian**, Slovensko, Turkish, and Ukrainian.
- War 4:** Points to the **Russian** language selection.
- War 5:** Points to the **OK** button.

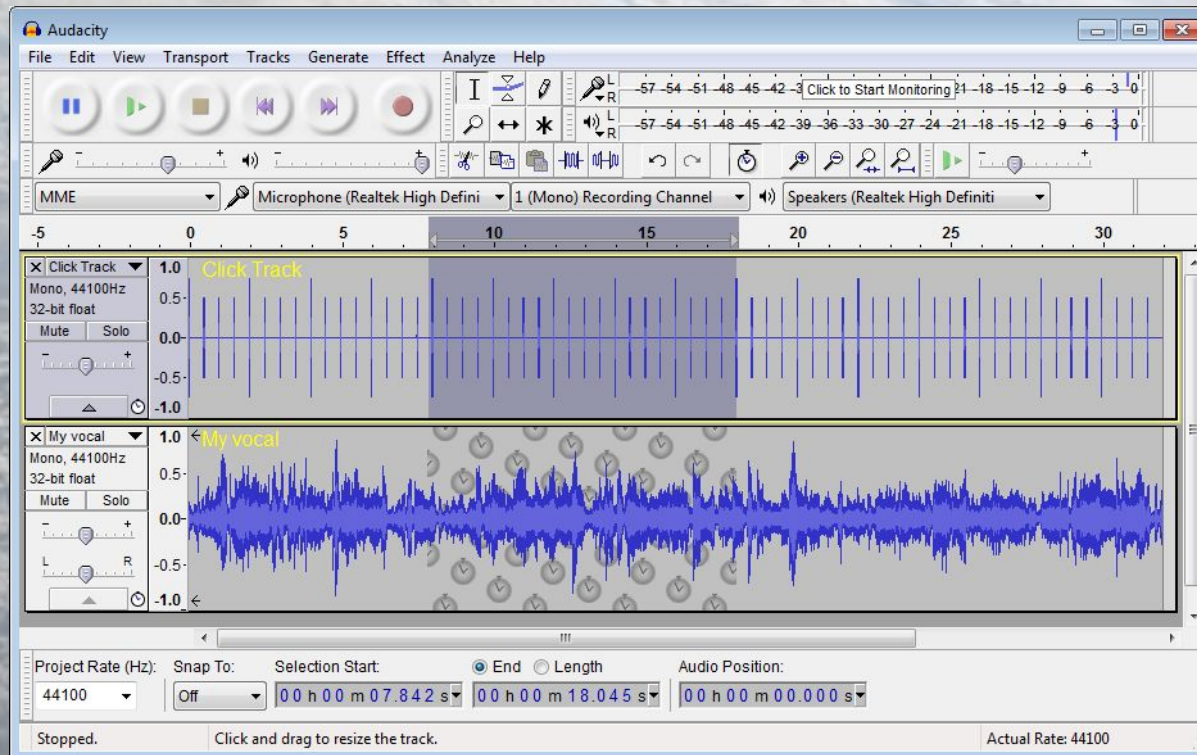

The interface includes a timeline at the top showing frame numbers (1 to 10) and a central canvas displaying a black stick figure with red pivot points. The left sidebar contains controls for Play, Stop, Loop, Background, Add Figure, and Selected Figure. The right sidebar contains the Options panel with settings for Animation Dimensions, Union Skins, Figure Handles, and Language.

# Bandicam

# Audacity

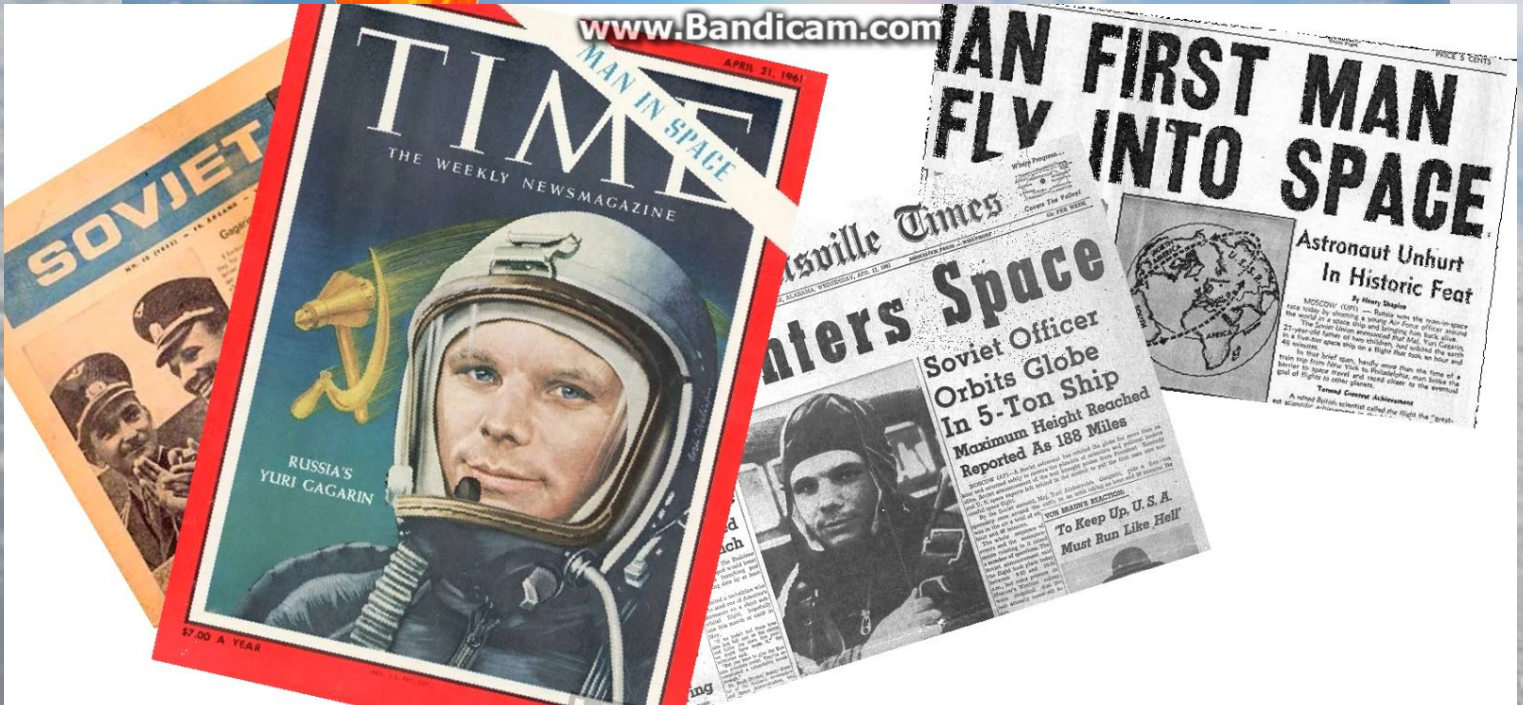

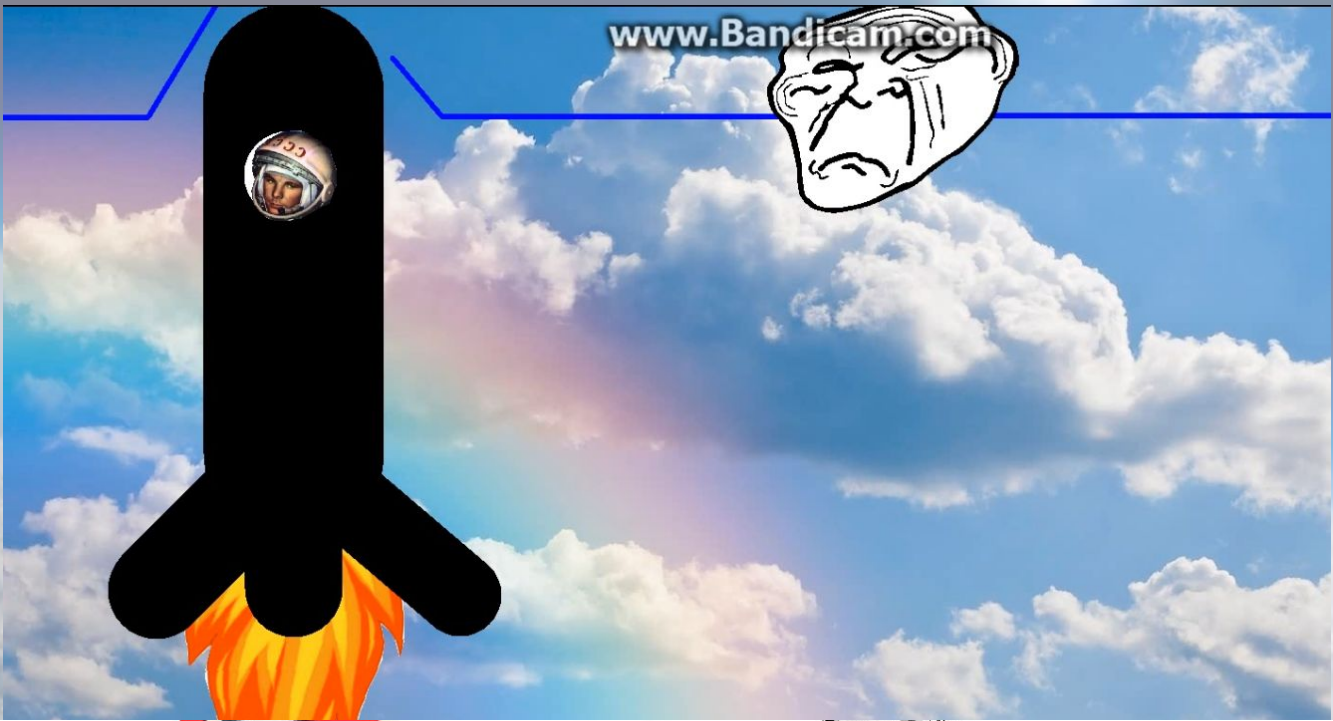

# Gimp

A screenshot of the GIMP (GNU Image Manipulation Program) software interface. The main window displays an image of a winding road through a forest. Several dialog boxes are open: 'Open Image' on the right, 'Gaussian Blur' in the center, and 'Paintbrush' on the left. The 'Paintbrush' dialog shows settings for Opacity (100,0), Mode (Normal), and Brush (Circle (11)). The 'Gaussian Blur' dialog shows a preview of the blurred image and settings for Blur Radius (Horizontal: 11,0, Vertical: 11,0) and Blur Method (IIR selected). The 'Open Image' dialog shows a file list with columns for Name, Modified, and Preview. The bottom taskbar shows the Start button, 'The GIMP' application, and several open windows: 'Layers, Channels, Path...', 'Open Image', 'Hundfjallet 006.jpg-4.0...', and 'Gaussian Blur'. The system tray on the right shows the system clock at 00:13.
