The ace space race

by Clive Gifford
illustrated by David Semple

introduces the 'magic e' spelling of
the long **a** vowel sound, as in name

Jake made a spaceship.

Kate made a spaceship, too.

They had a **race** in
outer **space**.

Kate went first. **Flames**
blazed from her **spaceship**.

Kate had to **brake** when she **came** near the Sun.

That was a close shave!

Jake was **able** to **overtake**!

I made it!

So **Jake's** spaceship led
the chase.

Then **Kate** raced past to
take first place!

★ ACE RACERS ★

And now Kate's name
is in the Hall of Fame.

Home sweet home
