GE Power

Steps For Resetting B2B SSO Account Password

- You will receive the below notification with **Success**, one email will be sent to your registered email address with reset password steps
- NOTE : sometimes CAPTCHA will not display , Please try in a private browser window session mode or clear all browser history and try again.

The screenshot shows a web browser window with the URL <https://registration.gpower.com/registration/#/reset>. The browser's address bar shows "Secure" and the URL. The browser's tab bar shows several tabs: "B2B Lookup", "SecureDevOps Proje", "B2B REG - PROD", "B2B REG - STAGE", "GE IT Service Now", "GE Service Now", "ClearOrbit :: Xtendec", "Downloads", "SAM", "TTD", and "EPF UAN name, gen". The main content area displays a "Password Reset" notification. The notification has a white background and a green border. It contains the following text: "Password Reset", "Please enter your username to reset your password.", a text input field containing "jogendra_test_user" with a green checkmark icon on the right, a button labeled "Click or touch the Airplane", a row of icons (a treble clef, a house, a padlock, a person, an airplane, and a refresh icon), and a green banner at the bottom with a white checkmark icon, the text "Success!", and "You should receive an email with the next step." The background of the browser window is a dark blue night sky with stars and silhouettes of power lines.

GE Power

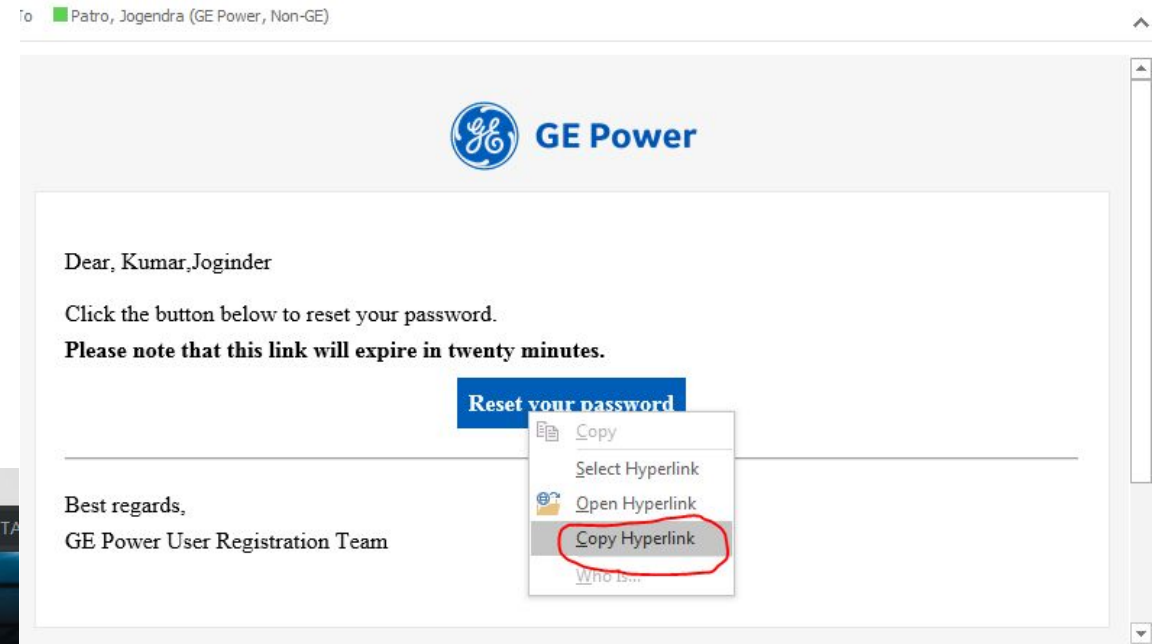

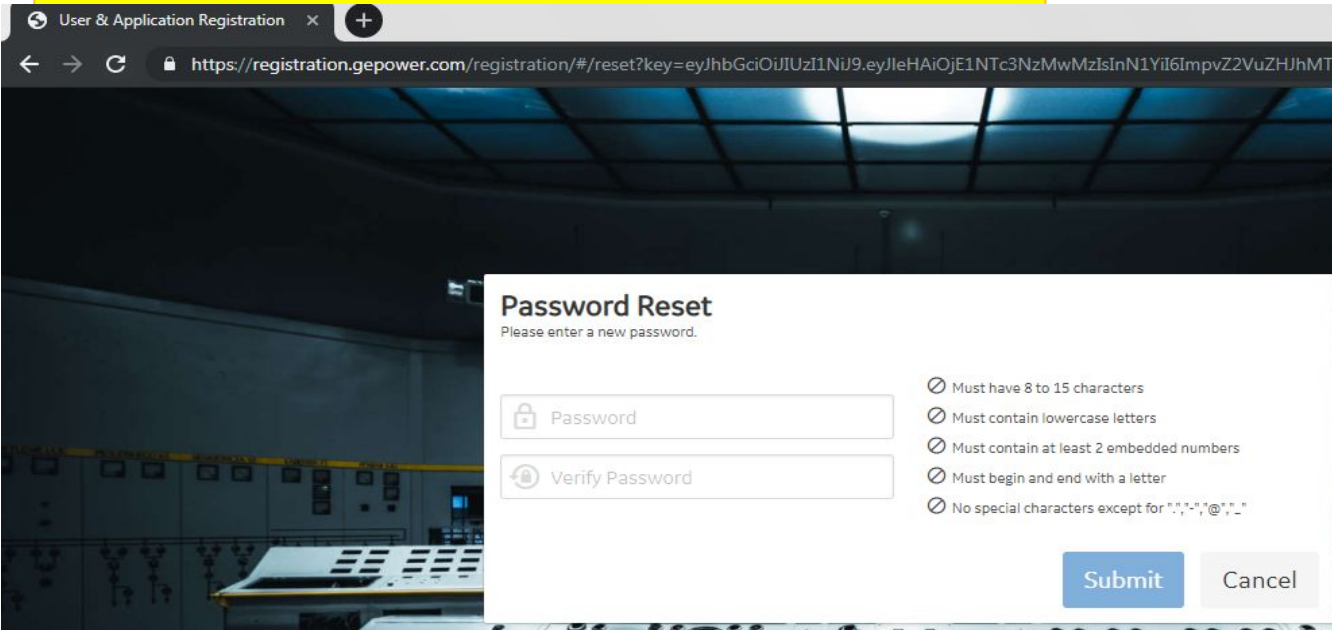

- Click on the **Reset your password** link

GE Power
