This is the night It's a beautiful night And they call it Bella Notte Look at the skies They have stars in their eyes On this lovely Bella Notte So take the love of your loved one You'll need it about this time To keep from falling like a star When you make that dizzy climb For this is the night And the heavens are right On this lovely Bella Notte On this lovely Bella Notte

Silent as the snowflake in the night Holy is the spirit of this night All the world is calm and peaceful All the world is bright and joyful Spirit of love And child of peace Love unending That shall not cease Peace, my children Of good will Peace, my children Peace, best all
