

A vibrant, cartoon-style illustration of an underwater scene. In the upper left, a large, colorful fish with blue, black, and red stripes swims towards the right. In the upper right, a blue jellyfish floats. The background is filled with various types of coral, including purple, pink, and orange branching corals, and green, yellow, and blue sea anemones. Numerous small, light blue bubbles are scattered throughout the water. The overall color palette is bright and saturated, creating a lively and inviting atmosphere.

Under the Sea
