

A vibrant, cartoon-style illustration of an underwater scene. In the upper left, a large, colorful fish with blue, black, and red stripes swims towards the right. In the upper right, a blue jellyfish floats. The background is filled with numerous small, light blue bubbles. The bottom of the image is a sandy seabed covered with various colorful coral reefs and sea anemones in shades of purple, pink, orange, and green. A small blue and white striped fish is visible near the bottom right.
