Traditionally kilts sew from tartana - woolen fabric weave formed beforehand dyed in different colors, resulting in a rectangular pattern consisting of the same sequence of horizontal and vertical stripes. Currently, there are thousands of different tartans, each of which is now tied or with a specific Scottish clan, or a variety of regions and cities, significant events, there is also a military regimental tartans.

Every modern Scottish clan has certain associated certified registered tartan pattern, which is used for members of the clan kilts and plaids.
