“The Beautiful Liar” album rating

Here’s a cynical hypothesis: Harris (frontman of X Ambassadors) and his bandmates figured that LPs of breakup songs are a dime a dozen in pop music, so they gussied up “The Beautiful Liar” to make it look like a concept album about... coming of age. The darkness that dwells inside us all. And some other pop-psychology truism.

Sam Nelson Harris mentioned in a statement for the video to “Adrenaline”:

“Usually, I’m pretty good at keeping it together, but when I was working on this album, I felt like I was LOSING MY DAMN MIND,” he said.
