The bike ride

Jim lives in a city with his parents and his sister. Last Sunday it was sunny and hot. 'Let's go for a bike ride,' Jim's dad said. They drove to the beach, then they rode their bikes by the sea. Jim loved the ride, but he was hot and thirsty. He wanted to have a drink. They stopped at

a café for lunch. Jim had some orange juice. His mother bought a sandwich for him but he didn't eat it. 'I'm not hungry,' he said.

Unit 1 Me and my friends

My name is Adam. I am seven years old. I have many friends. Most of them are my age. Some are older. Some are younger.

My best friend is Harry. He is seven. He lives near me. We go to the same school and are in the same class. Harry helps me with my maths homework. I help him with his English homework. I can spell better than he can.

Harry is 105 centimetres tall. He is taller than me. I am only 103 centimetres tall.

He weighs 30 kilogrammes, and is quite fat. He doesn't like sport so he doesn't get much exercise.

We both have black hair and brown eyes, but Harry's hair is longer than mine.

I like sport, and play football or go swimming every day.

Every evening Harry and I play computer games. Sometimes we play on my computer. Sometimes we play on his. Harry usually wins!
