**I have two rows of teeth –  
they help me to eat.**

A stylized illustration of a person's face, focusing on the open mouth. The mouth is wide open, revealing a row of white, slightly irregular teeth. The tongue is a bright orange-red color. The lips are a soft pink. The skin is a light, warm tone. To the left of the face, there is a dark brown, textured shape representing hair or a tree trunk. Several bright green apples with small green leaves are scattered around the hair and the left side of the face. The background is a solid, vibrant red. The word "teeth" is written in a simple, black, lowercase font, positioned inside the open mouth, between the upper and lower teeth.
