The background is a vibrant illustration from the anime Naruto. It depicts a scene with a large, cascading waterfall in the background, illuminated with a bright blue light. In the foreground, there are several large, brown, rounded rocks. Three characters are visible: on the left, a character with a green, textured mask and a red collar; in the center, a character with black hair and a white headband, holding a black object; and on the right, a character with black hair and a white headband, also holding a black object. The overall atmosphere is dynamic and colorful.
