

## Vérone. La ville de Roméo et Juliette

**Castelvecchio La Forteresse de Vérone**

**Le Balcon de Juliette**

A scenic view of the Adige River in Verona, Italy. The river flows through the foreground, with a stone wall separating it from a row of colorful, multi-story buildings. The buildings are painted in various shades of orange, yellow, and red, with green shutters and balconies. In the background, a tall, brick bell tower with a pointed roof stands prominently against a cloudy sky. The overall atmosphere is peaceful and historic.
