

MIND MAP TEMPLATES

The image shows a computer monitor and a smartphone side-by-side, both displaying mind map templates from a presentation slide. The monitor's slide is titled "MIND MAP FOR POWERPOINT" and features a central brain icon with the text "LOREM IPSUM" below it. The branches of the mind map are labeled with "Lorem Ipsum" in various colors (purple, orange, blue, green). The smartphone's slide is also titled "MIND MAP FOR POWERPOINT" and features a central head profile icon with gears, surrounded by various icons like a handshake, a target, a chart, and a gear. Both slides include the "shweet" logo in the top left corner and a page number (18 or 21) in the bottom right corner.
