Homework:

Choose a person in the class and describe him/her to your partner. Your partner guesses who the person is.

Reflection:

What are the new words you've learned from this lesson?

Where can you use this topic in your real life?

I think you are ready to answer for these questions.

Thank you for your attention.

Goodbye!

Brainstorming Suggested Answer Key

think people who suffer from agoraphobia feel lonely and sad because they are afraid to go outside and they miss out on a lot of things. It affects their lives because there are many things you can't do inside your home. For example, they can't play sport or go shopping or out to a restaurant with their friends.

Suggested Answer Key Task1.

think people who suffer from agoraphobia feel panic if they have to go outside. They also feel fear. For them, the outside world is terrifying and their houses are places of safety.

Answer Key Task 2.

B (Para 3 -1 stayed at home because I felt safe there...)

C (Para 4-...I didn 't tell them why...)

D (Para 6 -1 decided it was time to face my own fear)

A (Para 2, para 8)
