Proposal Continued

Breaking Down the Budget

How will you be spending the grant money for your project? You can give us a general overview of costs here but you will be required to provide a more detailed budget breakdown if selected to move forward in the application process.

Here's the Plan

Tell us how you plan to execute your project here. How will you make everything come together? Who might be some key players? How will you get to the desired result?

Sharing it with the World

How will you be promoting and sharing your great work of art with the world? What avenues will you be going down to share your work with a larger audience? How will your work live beyond its creation and continue to impact and educate others? How does your work contribute to the Climate Change Movement and Arts Help's Conscious Crypto Creator mission?

Estimated Timeline

How long will it take for you to finish your project? What is your target deadline?
